Five American Planes Lost In Viet Nam Fight

SAIGON, South Viet Nam (AP) — A U.S. Navy pilot flying a jet fighter crippled by enemy fire and running critically low on fuel shot down a Communist MIG17 jet over North Viet Nam Tuesday.

One other MIG was damaged and possibly destroyed as four Navy F8 Crusaders and four MIG17s tangled 65 miles northeast of Hanoi. But the MIGs shot down one Crusader, and ground fire brought down a Navy photo-reconnaissance plane in the same area.

In all, five American planes were reported lost in the past 24 hours in Viet Nam. The others were an Air Force F105 Thunderchief shot down Tuesday 30 miles northeast of Hanoi, an Air Force F100 Supersonic hit by Viet Cong groundfire 75 miles southwest of Saigon today and a C123 transport downed on a defoliation mission over the South Tuesday.

The crews of both planes lost in South Viet Nam were rescued.

In the ground war, U.S. paratroopers and cavalrymen battled a Communist battalion on the eastern flank of South Viet Nam's strategic central highlands for the third day, and a spokesman said the enemy toll had risen to 144 killed.

No major action was reported elsewhere in the South.

Buckroe Beach Residents Care For Their Own

HAMPTON, Va. (AP) — Residents of a stricken area here take care of their own.

In the wake of the crash of a Marine jet that killed two and injured 44 Monday night, the Red Cross set up emergency facilities in Buckroe Beach High School to shelter the 60 persons left homeless.

But there were no takers. The homeless were with relatives and neighbors.

The A6A Intruder jet collided high above Chesapeake Bay with a sister jet. The second craft plunged into the bay after its crew bailed out, unhurt. The other continued toward Buckroe Beach, a heavily populated section of Virginia's vast military complex, after its crew, too, bailed out over the bay.

The pilotless craft clipped the top half of a 50-foot oak behind a house owned by Mr. and Mrs. Joseph Gallant, hit the house on the left side and plowed a 25-by-8 foot crater in the earth between the two dwellings across the street.

Mrs. Gallant, 30, and her year-old son Donald were killed. Most of the injured suffered burns from the fire as the jet fuel burst into flames. Only 10 of the 44 were kept overnight at Dixie Hospital.

Rows of one-story, shingled cottages were charred or ripped open by the blast or fire. Four automobiles were smashed or burned out. Ten homes were leveled and others were damaged.

Residents of the 12-acre area, their friends and relatives, and civilian and military officials turned to the task of digging out Tuesday.

Weather

By The Associated Press

Escanaba and vicinity—Partly cloudy and warm today, tonight and Thursday. High today, 75; low tonight, 60; high Thursday, 82. Light southerly winds today, 5 to 15 mph. Friday outlook: fair, hot, dry weather. High temperature yesterday, 72 and low overnight, 61. Precipitation probabilities: today, tonight and Thursday, 10 to 20%.

Upper Peninsula — Partly cloudy tonight, a little warmer in the east portion. Fair east, partly cloudy west and warm Thursday with chance of thundershowers in extreme west portion by Thursday evening. Low tonight 58 to 64, high Thursday in the 80s.

House Ups Drunk Driving Penalties

LANSING (AP)—In its third "last bill-passing day" of the year, the House voted Tuesday to regulate marriage counselors and crack down on drinking drivers and wiretappers.

And, fearing that it might fail for the third time to meet its deadline for passage of bills from the other house, the legislature had ready a resolution to extend the time limit another 24 hours.

Lawmakers now have one or two days (depending on whether or not the resolution is adopted) to tie up loose ends—ironing out House-Senate differences over bills that have been approved by both chambers.

Yet to be completed is work on the 1966-67 budget and a controversial legislative pay raise. The Senate spent most of the

EIGHTEEN-MONTH-OLD Angela Szekely found six cuddly playmates in her back yard that really "go for" her charms. Her parents unfortunately had to break up the one-day romance by sending the baby gophers to the Kalamazoo Nature Center which will raise them to maturity and release them on its 300-acre grounds. Detroit Accused In \$5 Million Warehouse Receipt Swindle Plan

DETROIT (AP) — Accused of concocting a \$5-million-plus swindle that "could rate right up there with that of Bille Sol Estes," a Detroit businessman stood mute Tuesday when arraigned on fraud charges.

Ellsworth Burton Foote, 56, owner of the John Henry Cartage Co. of Detroit, waived preliminary federal court examination and was freed under \$25,000 personal bond.

Foote surrendered to FBI agents Tuesday after a warrant was issued for his arrest on charges of using the mails to defraud. U.S. Atty. Lawrence Gubow said other charges could be brought. He did not list them.

Foote, of suburban Dearborn Heights, was accused of using counterfeit warehouse receipts as security for loans totaling at least \$5 million.

The mail-fraud charge, Gubow said, involved loans to Foote from David Katz, operator of a Detroit investment agency. Gubow said Katz loaned Foote more than \$2 million, while eight others chipped in a total of about \$2.9 million.

An assistant of Gubow, Robert Grace, said other complaints are being received. "From what we have ascertained so far," Grace said, "this case could rate right up there with those of Bille Sol Estes and Tino DeAngelis, the salad oil manipulator in New Jersey."

Estes, a Texas businessman now serving a prison term, was convicted of a fertilizer swindle that involved more than \$30 million. DeAngelis was convicted of fraud involving more than \$100 million.

Gubow said, "Undoubtedly, our estimate of the losses will climb."

Gubow added he thought Foote acted alone in the alleged swindle. He said his office probably would seek a grand jury indictment in the case. Foote's lawyer, Harry L. Plis-

Mississippi March Violence Flares: White Man Is Shot

Police Arrest 24 Negroes In Florida Rioting

POMPANO BEACH, Fla. (AP) — Hundreds of Negroes rioted early today, throwing rocks and bottles at police, stores and cars before riot police cleared the streets with billy clubs and the threat of tear gas.

Two cars were overturned, one was set fire, and three or four policemen hurt by flying glass, one officer said.

Debris littered the main street in the Negro district from sidewalk to sidewalk, but the overall damage apparently was light.

Display windows at two stores were smashed, and there were three reports of homes being looted.

Police arrested 24 Negroes. The riot in this city of 16,000 about 25 miles north of Miami lasted less than an hour.

It apparently was the culmination of tension built up Tuesday when reports spread through the Negro district that a white store owner had slapped a 10-year-old Negro boy. The store owner, Arthur M. Marks, 42, was charged with assault and battery and released on \$50 bond. The boy was unidentified.

Poll Opposes Viet Pull Out

WASHINGTON (A)—A large majority of those who replied to a poll by Rep. James Harvey, R-Mich., indicated they are opposed to withdrawal of U.S. forces in Viet Nam, if a satisfactory settlement cannot be secured by negotiation.

In related questions, all based on the premise that a settlement could not be secured by negotiation, Harvey said, the replies showed the following:

1. Increase in U.S. ground troops to whatever size is needed to clear most of South Viet Nam from Communist control: 50.7 per cent yes, 28.4 per cent no.

2. No increase in U.S. ground forces but wider use of American air and sea power: 57.7 yes, 19.3 per cent no.

3. A holding operation by U.S. forces aimed at making secure the areas now controlled by the South Vietnamese government but not winning back parts of South Viet Nam controlled by the Communists: 15.6 per cent yes, 54.5 per cent no.

A majority of the 8,428 who replied to the poll opposed expansion of trade with Communist-bloc nations and the admission of Red China to the United Nations.

On whether restraint should be shown in domestic spending in order to fight inflation, 74.5 per cent said yes and 19.4 per cent no.

A PHILADELPHIA, Miss., policeman runs through a crowd of fighting Negroes and whites to break up a fist-swinging melee that broke out Tuesday as Dr. Martin Luther King led a memorial march through Philadelphia for three Civil Rights workers killed two years ago near Philadelphia. (AP Wirephoto)

Tap Space-Age For Means To Conquer Crime

WASHINGTON (AP) — Experts put their heads together today in search of space-age methods to combat the nation's swelling crime rate.

Some 500 educators, industry executives and law enforcement officials have been invited to a first-of-its-kind "national symposium on science and criminal justice."

Atty. Gen. Nicholas Katzenbach, cosponsor of the conference, said its purpose is "to give science a clear view of what new tools and techniques are needed in the national effort to improve the control of crime."

The ideas generated in the two-day assembly at the State Department probably will be scrutinized by the National Crime Commission, of which Katzenbach is chairman.

The commission, the Justice Department and the President's Office of Science and Technology are cosponsoring the conference in affiliation with the National Security Industrial Association.

Improve Skills

EAST LANSING (AP)—More than 275 elementary and high school teachers from all 50 states start this week in five summer institutes aimed at improving their skill as teachers. The Michigan State University programs, ranging in length from five to eight weeks, are financed by \$350,000 in federal grants.

Williams Ducks Cavanagh Debate

DETROIT (AP)—A proposed foreign policy debate between two candidates for the Democratic U. S. Senate nomination failed to materialize Tuesday night, when former Gov. G. Mennen Williams declined to attend.

Detroit Mayor Jerome P. Cavanagh addressed the Ad Hoc Committee of Citizens Concerned with Foreign Policy by himself, and discussed his position on Viet Nam and Red China.

Cavanagh said there "must be a cease fire to permit the widest participation" in free elections in South Viet Nam. Cavanagh said he did not advocate immediate withdrawal of U. S. troops from Viet Nam, but stated that the U. S. should be prepared for such a move.

The Detroit mayor also said "we must face the fact that two Chinas do exist today. We must offer mainland China a seat among the great powers on the United Nations Security Council."

Williams dwelt mainly on domestic issues such as civil rights and poverty in a speech before the Flint Sportsmen's Club in Flint Tuesday night.

The former governor urged the passage of new civil rights legislation and stronger enforcement of existing laws.

"Instead of having federal voting registrars in only a few counties in the South," said Williams, "I propose that the attorney general send registrars into every single county where the last vestige of discrimination exists."

Senator Robert Griffin spent Tuesday in Washington working with the Senate labor subcom-

Negro Leaders Debate Use Of Force At Rally

PHILADELPHIA, Miss. (AP) — Highway patrolmen sealed off a small Negro neighborhood early today after Negroes and whites exchanged gunfire in Philadelphia. One white man was wounded late Tuesday night.

The gun battles erupted here as civil rights leaders 75 miles away debated the merits of violence and nonviolence when they returned to Philadelphia as part of the Mississippi march.

Philadelphia Police Chief Bruce Latimer said a white man whom he identified as Stanley Stuart, an employee of a glove factory, was wounded during an exchange of gunfire near the Freedom Democratic party headquarters.

Stuart was treated for buckshot wounds in the neck and shoulder at a hospital here and sent home.

The highway patrol moved in and blocked off a three or four block area.

"No one's going in or coming out until daylight," said Inspector Maynard King.

Latimer said Stuart's car was hit by both birdshot and buckshot. He said he thought Stuart was alone at the time.

Negroes inside the Freedom Democratic headquarters relayed a report to their offices that three carloads of whites drove up and began firing at them. They said they returned the fire and thought they hit at least two cars.

Other Shots Heard
Other staccato bursts of gunfire were heard in the area later.

Latimer said the Stuart shooting was reported at 8:45 p.m. He said police received a call at 10:05 p.m. from another white man, Gibson Eakes, who said his car was peppered with shot when he drove through the Negro neighborhood. Eakes said he wasn't wounded.

At Yazoo City, Dr. Martin Luther King said he would lead the Mississippi civil rights marchers back to Philadelphia armed with "the ammunition of justice — the armor of righteousness." A King aide said they probably would return to Philadelphia Thursday.

A hostile crowd of cursing whites hurled firecrackers and insults at King Tuesday when he stood on the Neshoba County Courthouse steps here and told a Negro group: "Today, we have seen men with hatred on their faces who want to turn this country backward."

Commemorate Slayings
It was to commemorate the second anniversary of the slayings of civil rights workers James Chaney, Andy Goodman and Mickey Schwerner that King came to Philadelphia Tuesday with a contingent from the group continuing the march through Mississippi begun by James H. Meredith.

Meredith said in New York Tuesday that he would return to the march Thursday or Friday, or when the marchers arrive at Canton, Miss.

The march route returns to Highway 51 in Canton, Meredith said. It was on Highway 51 that Meredith, 33, was shot and wounded from ambush near Hernando, Miss., June 6.

"I think this is by far the worst situation I've ever been in," King said after Tuesday's violence. "This is a complete climate of terror and breakdown of law and order."

Deputy Sheriff Cecil Price — one of the 17 men the federal government claims participated in the slayings of Chaney, Goodman and Schwerner on June 21, 1964 — tried to block King from mounting the courthouse steps.

"I'm not afraid of any man," King shouted as the heckling and disorder mounted. "Before I will be a slave I will be dead in my grave."

"We'll help you," screamed several white men.

While the memorial march and services were being conducted at Philadelphia, the main column stepped off 16½ miles from Louise to Yazoo City — where they got a quiet reception — and set up a campsite in a Negro ballpark owned by the city.

King and other Negro leaders argued over violence and nonviolence at a nighttime rally in Yazoo City.

Probe Of Death Crashes Points Finger At Drink

DETROIT (AP)—If you are under 25 years old, were driving on familiar streets and roads less than 25 miles from home, Memorial weekend you were a prime target for a fatal automobile accident.

These facts emerge from an analysis by the Automobile Club of Michigan of the 35 drivers involved in 25 fatal accidents that killed 40 persons in Michigan on Memorial weekend.

The 35 drivers had an average of 6.1 moving violations and 27 had been either drinking or were suspected of drinking. Auto Club analysts feel drinking was the proximate cause of most deaths, along with driver error.

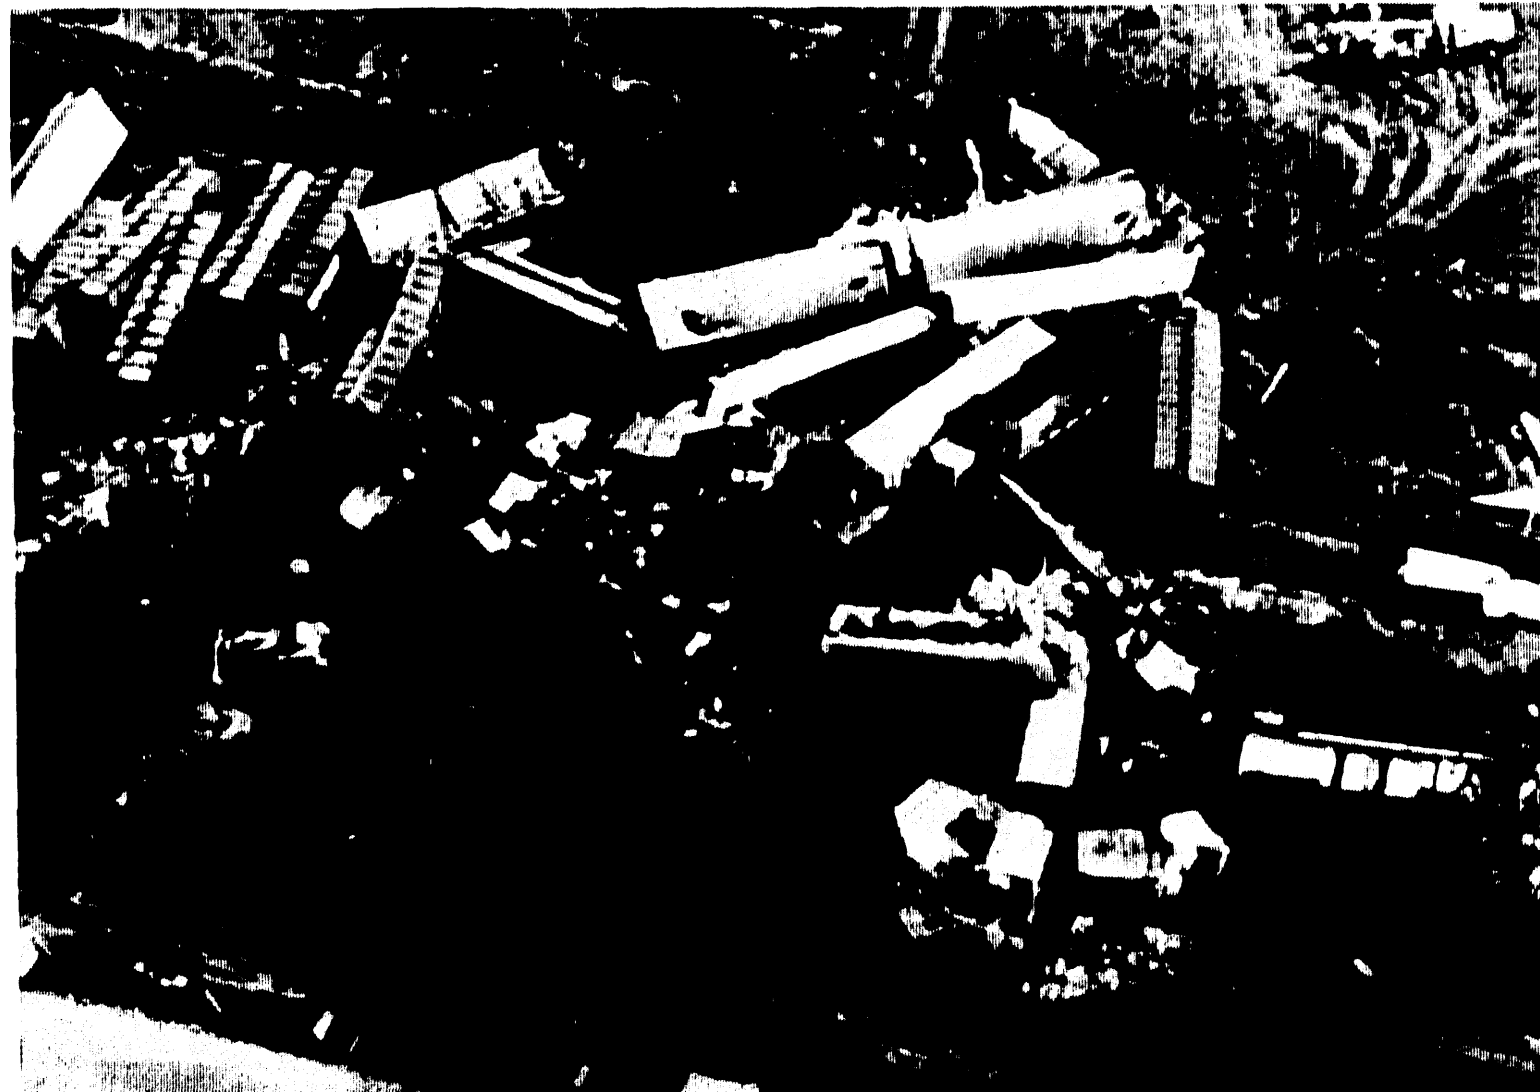

Average age of the violators was 23.

No obvious mechanical defects were revealed in examination of cars involved, excepting one bald tire. It was on a car that traveled 115 miles per hour in a police chase before hurtling 100 feet through the air.

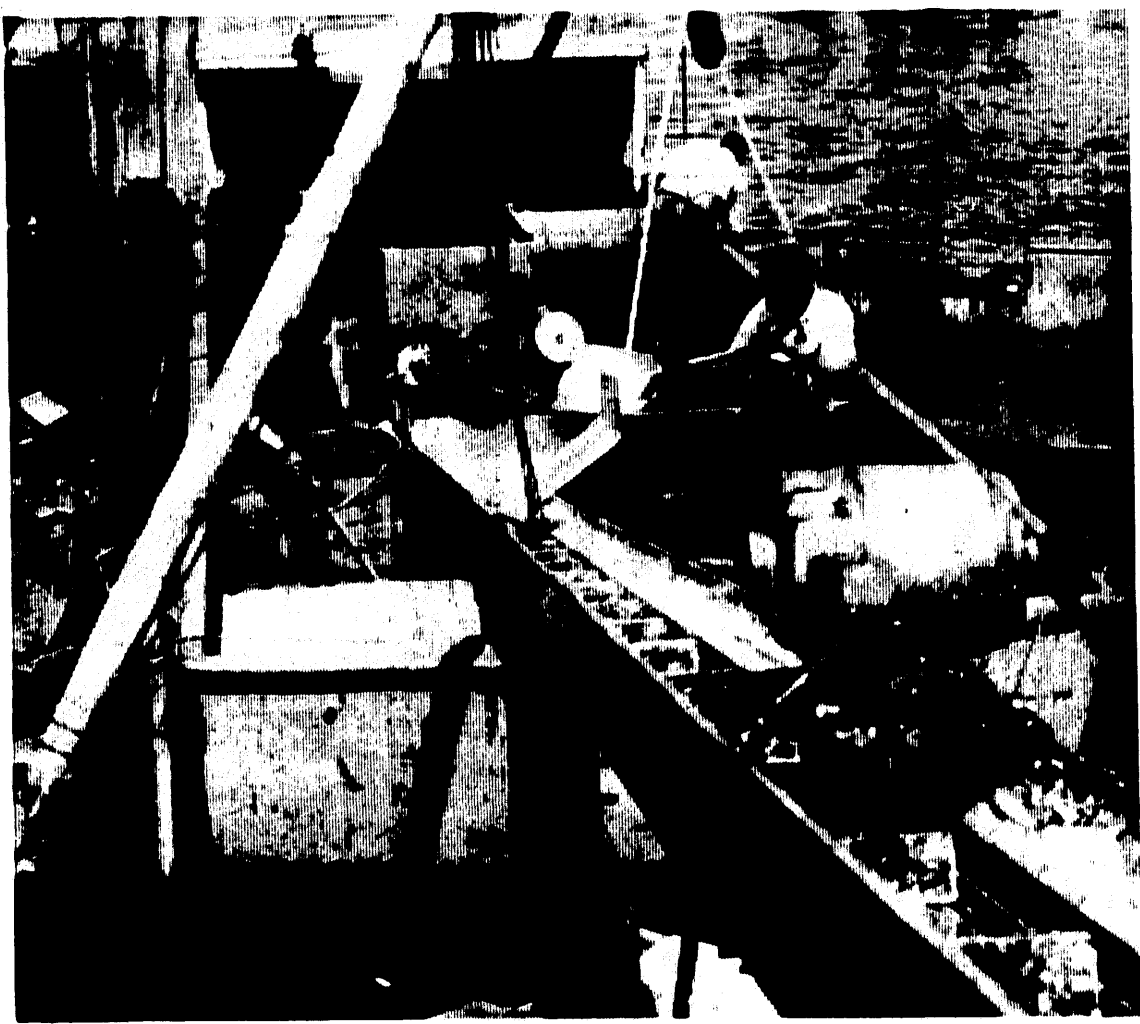

Of the 40 killed, only 6 were as much as 25 miles from home on holiday trips.

Today's Chuckle

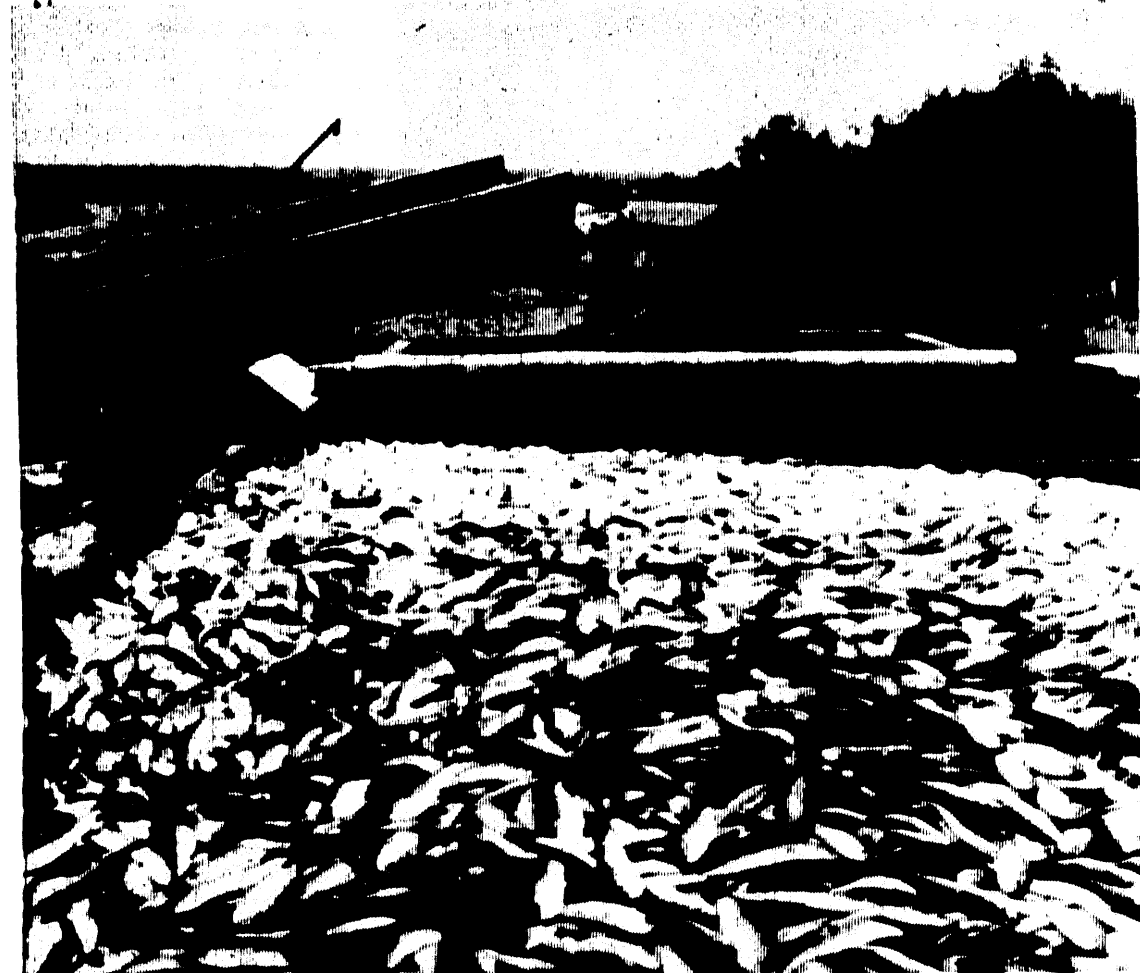

Money may not buy happiness, but it sure helps you look for it in interesting places.

FISHERMEN CLEAN up the last of a load of alewives caught in Green Bay pound nets set off the mouth of the Big Cedar River. Rueleau Brothers of Cedar River are fishing three nets there and also doing some alewife seining with their trawler, the Luella May. An electric-powered conveyor system lifts the fish from the boats that empty the nets into a truck. (Daily Press Photos)

RULEAU BROTHERS use this truck to haul their catches of alewives to the fish meal plant of Ed Swaier at Oconto, Wis. The truck has 20 tons of fish on this load, some of them are in a compartment behind the separator at the top of the picture. A conveyor lifts them from the boat that empties the pound nets into the truck.

Cedar River-Oconto Parley

Alewives Make Fish Meal

The sports fishermen who go to Cedar River these days to fish bass seem almost as fascinated by the commercial fishing operations there as by their luck with hook-and-line on the game fish.

Rueleau Brothers of Cedar River are operating their

trawler, the Luella May, out of the river, seining alewives, but this work has not been productive lately—only 700 pounds in a recent sweep—and they have been depending upon three pound nets set in Green Bay waters near the river mouth for most of their fish.

The alewife is a trash fish which has reached an enormous population in Lake Michigan waters and created a big lake fishery management problem for the Conservation Department of Michigan and Wisconsin.

The alewife, too bony to be attractive as a human food, is

being processed into fish meal at the plant of Ed Swaier at Oconto, Wis. The fish sells for only a cent a pound to the fish meal plant and so it must be handled in great volumes to return a commercial profit.

Rueleau Brothers, Louis and Bob, have been taking about 13 tons a day from their pound nets.

Their lift last Sunday provided 20 tons, but they had not made a lift on Saturday. The 20-ton load on their big trailer truck was worth \$400.

Very few other fish are being taken in the pound nets set for alewives.

Clerks Attend Elections School

County Clerks from throughout the Upper Peninsula were in Escanaba this afternoon to attend an elections school conducted by Robert M. Montgomery, Lansing, director of elections, in the Delta County Building.

Delta County clerk William E. Butler said election procedures were to be discussed.

\$20,000 Damages Awarded Shiner In Civil Action

Jack R. Shiner, 22, of 427 S. 7th St., was awarded \$20,000 by a Circuit Court jury Tuesday as damages for injuries he suffered in a traffic accident in Gladstone.

The jury of six men and six women returned their decision after deliberating about an hour.

Shiner had asked \$39,547 as compensation from Eugene and Rose Baker of Marinette, Wis. The suit arose from an accident at 7:35 p.m. on July 8, 1963 at the intersection of S. 10th St. and Michigan Ave. Shiner was driving south on S. 10th St., which is a through street, and the Baker car, driven by Rose Baker, was going west on Michigan Ave. The Baker car failed to stop for a stop sign and collided with Shiner's vehicle.

Testimony was presented before Judge Bernard Davidson of Negaunee.

A galero is a broad-brimmed golden-tasseled hat placed by the Pope on the head of a new cardinal.

Hershey Replies Determine Need For Draft Probe

WASHINGTON (AP) — The House Armed Services Committee opens hearings today on the military draft — a system the committee chairman described as an "unpleasant fact of life that cannot be wished away."

Lt. Gen. Lewis B. Hershey, who has headed the Selective Service for 25 years, is the first witness at sessions called by Chairman L. Mendel Rivers after the draft came under fire from congressional critics.

In a statement prepared for the start of today's hearing, Rivers said the committee must determine whether the draft law is functioning as Congress intended or whether it needs substantial revision.

The South Carolina Democrat added: "The facts appear abundantly clear — we do need a draft law for now and the foreseeable future."

Hershey's testimony could have a bearing on whether there will be a later, full scale investigation of the Selective Service System.

"If it looks like the draft

needs an investigation, we'll make it," Rivers said.

Rivers acknowledged there have been complaints about the draft's operation. He said he hoped Hershey could answer them.

Exchange Club Sale Scheduled

The Escanaba Exchange Club will hold a rummage sale Friday, Saturday and Sunday at the Exhibition Building at the U. P. State Fairgrounds, Joseph Bushey, sale chairman, announced today.

Sale will begin at 7 p. m. Friday and at 1 p. m. both Saturday and Sunday.

"This should be the biggest rummage sale Escanaba has ever seen," said Bushey. "We've got three truckloads full of merchandise to offer."

Proceeds from the sale will go to the Exchange Club's dental fund and used to support the Club's dental clinic at the Escanaba Area High School for underprivileged children.

Most of the items for sale were picked up in the club's "Rags To Riches" drive May 7. Many "rags" donated to the club were too good to be torn up and sold for industrial purposes, Bushey said. Men's, women's and children's clothing of all sizes is included.

Briefly Told

The Escanaba City Band will play a concert at 7:30 p. m. today at the Karas Memorial Bandshell in Ludington Park.

Jefferson Cub Pack 411 will hold their pack meeting on Monday, June 27, at Ludington Park. The kite contest will start at 7 p. m. to be followed by an award ceremony at the band shell.

The Municipal bathing beach is open for swimming seven days a week from 10 a. m. to 8:45 p. m. The beach remains open and guards are on duty during the supper hour of 5 to 6 p. m. for the convenience of adults and tourists.

SPESBSQA Inc. members are reminded that they will have two engagements on Thursday evening — the first at the Bishop Noa Home at 6:30 and the second at the House of Ludington for the City Clerks at 8:15. The uniform for both engagements will be white shirts, bow ties, vests, and dark trousers.

Applications for marriage licenses have been made at the County Clerk's office by Walter Clifford Erickson, 1216 Minnesota Ave., Gladstone, and Rose Margaret Davis, 207 N. 10th St.; Cornelius John Strupp Milwaukee, and Audrey Gladys Micheau, Rte. 1, Rock; Phillip John Crosswell, Turner AFB, Ga., and Christine Josephine Kanerva, Rte. 1, Rock; Joseph Allan Suski, Marquette, and Suzanne Agnes Emerson, Willow Creek Rd., Escanaba, and Richard Brazeau, Chemical Plant Location, Gladstone, and Lois Francis Jerow, 512 S. 16th St.

City Police have issued speeding tickets to the following motorists: Richard F. Jaeger, Rte. 1, Bark River; Chester T. Olesky, Rte. 1, Norway; Paul R. Nelson, 518 1st Ave. S.; Thomas W. Hubert, 331 N. 20th St.; George G. Gill, 1401 N. 16th St.; Barbara J. Sheed, 1211 S. 13th St.; Frank O. Rivers, Rte. 1, Gladstone; Marvin T. Coughlin, Detroit; Audrey H. Silver, Escanaba Light Station; Stephen W. Wood, 315 S. 5th St.; Lloyd Sodergren, Rte. 1, Escanaba; Rudolph G. Gafner, 1420 1st Ave. S.; Leo Lavigne Jr., 114 N. 13th St.; Geneva Mary Iverson, Rte. 1, Escanaba; Cecil Joseph Wery, Rte. 1, Gladstone; Larry J. Krause, Rte. 1, Escanaba; Clifford C. Reese, 815 N. 20th St., and Joseph L. Anderson, 1512 N. 19th St. Police also ticketed Leona I. Pfarr, 322 Lake Shore Dr., for disobeying a traffic signal and Charles E. Benjamin, 609 S. 11th St., for excessive noise.

Obituary MRS. VICTORIA LACOSSE Solemn Requiem High Mass for Mrs. Victoria LaCrosse was held 11 a. m. at St. George Church in Bark River today. Rev. Thomas Dunleavy was celebrant. Rev. Marian Douglas, O. F. M., was subdeacon and Rev. Lesley Burman was deacon. Msgr. Sanford was in attendance. John LaCrosse, seminarian at St. Paul's seminary, was master of ceremonies. Burial was in Holy Cross Cemetery. Pallbearers were Leonard Veeder, Loran Aderman, Frank Adams, Harold DeLoughary, Joseph Goudreaud and William Good.

THE TRAVEL tour of the Upper Peninsula stopped in Escanaba briefly Tuesday to pick up Jean Worth, editor of the Daily Press, before continuing throughout the Upper Peninsula. The tour for travel editors and educators is sponsored by Michigan State University. Participants include, from left, Dr. Uel Blank, Michigan State University, Gordon Wright, Midwest District manager for the Economic Development Administration; Dr. Clare Gunn, Michigan State University; Dick Wager, Cleveland Plain Dealer; Worth; Al Selby, Booth Newspapers, Kalamazoo; and Dick Woodberry, North Central Airlines public relations. (Daily Press Photo)

U.P. Tourism Industry Needs Mass Facilities

BY JEAN WORTH

SAULT STE. MARIE—Michigan State University tourism specialists told travel editors of midwest magazines and metropolitan newspapers on the first day of a three-day air tour of the Upper Peninsula Tuesday that the U. P. has the basic resources for a great tourist industry but lacks development.

Dr. Uel Blank and Dr. Clare Gunn reported the findings of a two-year study initiated by the Upper Peninsula Committee for Area Progress to create a comprehensive blueprint for U. P. tourism development. The study was conducted by Michigan State University with the aid of many governmental and private agencies and was financed by MSU, the Economic Development Administration and UPACAP.

It cost about \$200,000 in cash and in kind.

What the U. P. needs if it is to compete with other areas, said Blank and Gunn, is more major attractions for visitors, large complexes of recreational facilities, public or private, or public and private.

Need Mass Attractions

It simply isn't enough, they said, to have one big attraction. There should be a massing of things that interest the visitor.

There are, they suggested, only two such developed areas in the Upper Peninsula, Mackinac Island and the ski resorts in the Western U. P.

Mackinac Island has doubled its tourist business in the past eight years and the winter resorts on the Gogebic, Marquette and Menominee iron ranges have done comparably well. But the other areas have remained static or have even lost ground.

"Sault Ste. Marie, for instance," said Dr. Blank, "has hardly increased since 1958, although it is one of the most interesting areas of the midwest."

A total of 4.7 million tourists visited the Upper Peninsula in 1964, but the Peninsula's business peak in recreation was passed in the late 1950's and it has not, since that time, developed its tourism appeal like other areas seeking customers in the midwest.

Dr. Gunn said the study found no lack of basis for tourism development in the U. P. and found many opportunities for investment but a lack of development. By contrast, he said that Hawaii with more than 14,000 rooms available to visitors plans the early addition of 8,000 more and will fill them all with its package tours.

The U. P. has an estimated 10,000 rooms for tourists.

Dr. Gunn said the study found many potentials for development and some projects already underway. They include Gateway Park at St. Ignace.

nance; Ojibway Hotel convention center at Sault Ste. Marie; Pictured Rocks National Lakeshore; a Munising-Christmas recreation complex; a Holiday Inn recreation center at Marquette; Quincy Mine Hoist at Hancock; Tower Hill White House resort near Bergland; Copper Peak Ski Flying Hill, expanded ski facilities at Powerhorn, Cliff's Ridge, Indianhead, Pine Mountain and Ripley; a forestry interpretation center in the middle Upper Peninsula, and Great Lakes Memorial Marina at Menominee.

The tour in North Central Airlines executive planes started at Green Bay, Wis., and had its first stop for luncheon and inspection of the Memorial Marina at Menominee. Second stop was at Mackinac Island for a carriage ride, tour of old Fort Mackinac and dinner at the Grand Hotel.

The overnight stop was at Sault Ste. Marie with a boat ride through the American and Canadian ship canals.

To Visit Mines

Today the tour party heard plans for Sault's tri-centennial celebration in 1968 and was to lunch at the Northwood's Restaurant in Marquette, visit the Empire Mine at Palmer, the historic Jackson Mine site at Negaunee, Suicide Hill at Ishpeming, Presque Isle Park and Northern Michigan University.

Tonight's stop will be at Powderhorn Ski resort for a tour and theatre party. Thursday the tour will visit Isle Royale, Michigan Tech at Houghton and a copper mine.

The tour party includes Mark Sullivan, Time, Inc., Detroit; Peter Lindberg, Better Homes & Gardens, Des Moines, Iowa; Bill Hibbard, Milwaukee Journal; Richard Wager, Cleveland Plain Dealer; Gene Devine, Milwaukee Sentinel; Ray Pagel, Green Bay Press Gazette; Al Selby, Booth Newspapers, Kalamazoo; Dick Arnold, WX-YZ-TV, Detroit; and Mary Jane Miltgen, WKAR, East Lansing.

Tour leader is James Gooch, Marquette, director of continuing education in the U. P.

Dallas' Kennedy Memorial Stalls For Parking Plan

DALLAS, Tex. (AP) — Construction of the John F. Kennedy Memorial, covering a city block in downtown Dallas, is being delayed by county officials to consider adding an underground parking lot.

Work of clearing old buildings from the site, located about two blocks from the spot where President Kennedy was assassinated in November, 1963, was completed last week.

The county's architects were instructed by County Judge Lew Sterett Tuesday to meet with the designers of the memorial to work out a palatable design for the memorial and the underground garage.

Missed A Cow, Mister?

Rass Comments On Bass

This is Rass' busy season, but he has bugged out on his boat livery at Cedar River for a few weeks to work with a Conservation Department surveying crew running lines in Menominee County.

"I leave the boats in charge of Ann," he explains, referring to his near neighbor, Mrs. Bernard LaBay, who dispenses the night crawlers and checks out the boats to fishermen when Rass isn't about.

Lester (Rass) Rasmussen lives in the Menominee State Forest at The Last Outpost on the Elwood Creek Road, but in the summer he lives at the shanty at his boat livery near the mouth of the Big Cedar River. He rates the present bass season about so-so, but it has been pretty exciting on some days.

"A party from Chicago took 70 in a couple days fishing," he said "but the spawn is still

Rass Rasmussen

stream has many miles of public access in the Menominee State Forest.

Rass' bait business is supplied in the modern manner, not by his heavy hand on a spade in search of earthworms, but by purchases from the truck that comes through weekly from Canada selling night crawlers. "The Indians pick 'em," he explains. "I buy them by the dozen and when they're short I keep track and make them up the next trip."

Rass not only peddles worms, but fills the fishermen in on the local gossip. "Siegel" (Ernest Parrett) he explained "saw a bear near Pat Geist's old farm Sunday. Siegel knows bears and he says this one would go 500 pounds easy. We'll be hearing from out there in a few days that some farmer has lost a cow!"

Whitman Gets Northern Post

MARQUETTE — Stanley Whitman, director of guidance at Munising's Mather High School, has been named supervisor of basic education at Northern Michigan University's Area Training Center.

Whitman's appointment, announced today by Dr. Edgar L. Harden, NMU president, has been approved by the University's Board of Control.

Established in March, 1962, the ATC has met a pressing need for training of unemployed, underemployed and undereducated workers who must develop new skills to keep pace with modern technology.

A native of Crystal Falls, Whitman received his bachelor's degree (with honor) from Northern in 1950 and his master's degree from the University of Michigan, Ann Arbor. He has taken additional graduate work at NMU and at Michigan State University.

Following his graduation from Northern, Whitman was a teacher and coach at Onaway (Mich.) High School for one year.

He then joined the Mather High School faculty as a physical education instructor and subsequently served as varsity football, basketball, track and golf coach. His 1954 basketball team won the Upper Peninsula class B championship.

Whitman, who developed Munising's recreation program in 1956 and has served as its director since, was named director of guidance at Mather High School in 1959.

He is a member of the U. P. Curriculum Planning Committee, U. P. Counselors Association, Munising Lions Club and that city's Harbor Commission.

Whitman and his wife, the former Margaret Schenk of Gladstone, are the parents of four daughters: Penny, 10, Kristine, 9 and Carol, 7.

Clerks Convene Today

MUNICIPAL CLERKS from throughout Michigan converged on Escanaba today for the start of the three-day program of meetings in the annual convention of the Municipal Clerks Association of Michigan. Registering at the House of Ludington convention headquarters are, from left, Mr. and Mrs. Ted Hubbard of Petoskey and Mrs. Gertrude Genuend of Ionia. Manning the desk are Mrs. John Stoll of Escanaba and Roberta C. Vaughan, secretary-treasurer of the Clerks Association, Hillsdale. Today's program included the first general session at 10 a.m. and the Opening Luncheon at the House of Ludington with Jean Worth, editor of the Daily Press, as speaker. (Daily Press Photo)

Bass Fishing Is Still Good

Bass fishing continues good on the Ford and Escanaba rivers and on Little Shag Lake and Bass Lake in the Gwinn area, according to this week's fishing report from R. W. Timmer, Department of Conservation officer.

Fishermen are taking bluegills in area lakes and the Au Train Basin in Alger County. Walleyes are being caught in the basin with the Rapala lure. Crawlers and live bait have also been successful for both walleyes and northern.

Stream conditions vary from high to normal with localized rain contributing to high conditions in some areas.

Some steelheads are being taken off the mouth of the Laughing Whitefish and in the Au Train River south of the M-28 bridge.

Hospital

Mrs. Clayton Marenger is in the William Beaumont Hospital, room 439 in Royal Oak, Mich., where she had surgery Monday.

Patti Ann Nelson, daughter of Mr. and Mrs. Hugh Nelson, 1506 N. 16th St., is a patient at St. Francis Hospital.

Mrs. Runar (Betty) Beck, 1107 N. 16th St., is a patient at St. Vincent's Hospital, Green Bay, Wis.

Obituary

WILLARD MOORE

Funeral services for Willard Moore were held 9 a.m. today with Rev. Allen Mayotte of St. Ann's officiating. Burial was in Holy Cross Cemetery. Pallbearers were Jack Fisher, John Walch, John Coan, George Harvey, Richard Pryle and Harold Finman.

JOHN LEACH

Funeral services for John Leach were held today at 9 a.m. at All Saints Church with Msgr. Matt LaViolette officiating. Burial will be in Fernwood cemetery. Pallbearers were Eugene and Bertal Hansen, Fred and Roy Connors, Henry Lannaville and John Belesseulie. Military rites were performed by the August Mattson Post 71, with Warren Brown as chaplain.

hard. They aren't ready yet. We get the big rush of the bass in from Green Bay when they're ready to spawn and things are all mixed up this year."

Forest Fire Report Made

One fire, burning two tenths of an acre, was reported in the Escanaba state forest protection area for the week ending June 18, according to the Michigan Department of Conservation.

Six fires in all were reported in Upper Peninsula forests during the week, burning eight acres.

The Escanaba area has had 60 fires to date this year, burning 1,471.9 acres. The Peninsula has had 202 fires which have burned 1,924.3 acres compared to 116 fires burning 272.1 acres at this date last year.

Weehawken, N. J., was the site where Aaron Burr mortally wounded Alexander Hamilton in a duel on July 11, 1804.

League Appeals For Used Books

The League of Women Voters requested at this time. Interested citizens are asked to call book sale July 25-30 in the C. Mrs. Robert Haack, ST6-3294, Gust Peterson Building, 908 or Mrs. Ralph Anderson, ST6-5666, for pick-up service. Donations of books are requested. Proceeds from the book sale ment.

are used to further the work of the League. The League carries on a variety of activities to foster a greater awareness of public issues and increase citizen participation in government.

Time Of Visitors

Dr. Uel Blank, formerly of Michigan State University and now with the University of Minnesota, told a story at a recent Upper Peninsula tourism promotion meeting about a clergyman in a Canadian city who changed his community's attitude about tourist business and greatly improved the business.

The clergyman hadn't discovered some fantastic gimmick to fascinate visitors. He just told his fellow townsmen that people, out of their home environment, respond very actively to friendliness. The biggest thing that his community could do to build tourism, he suggested, was not to create a Kiddyland, nor chain a bear in the town square, nor erect a billboard at every historic site, nor build a hotel rivaling the Waldorf-Astoria.

It was much simpler than that and consisted in being friendly. Like the Biblical lesson on love your neighbor, this makes such complete sense that it is divine logic, but that doesn't make it automatic. It doesn't assure a friendly district just because its people know that friendliness is attractive.

But the reminder may help. The Upper Peninsula is now in its summer season of tourism. Thousands of visitors will be impressed by the natural beauty of the Upper Peninsula. If they are equally impressed with the informed friendliness of its people the area has made a good start in the tourist business.

Editor Jack Green of Michigan Oil Talk, published by the Associated Petroleum Industries of Michigan, has some other excellent ideas about promoting tourism. "It is not enough that our tourist agencies spend thousands of dollars to lure people to tour Michigan... to tell them of the attractions of this area or that," Green suggests. "What will the traveler, Michigander or stranger, find when he comes to your area?"

"It's a long way from St. Louis or Detroit to Fort Mackinac. What will they think of the road between? Will it be drab drum-drum all the way? 'Fill 'er up! Where's the rest room? Check my water, will ya?'"

"Or will it be: 'Ever eat a Cornish pasty, Ma'am? Mrs. So-and-so down the road makes the real Old Country kind and they'll fill those youngsters up for the rest of the day.'"

"Didja ever visit a cheese factory? There's one half a mile down the road and it's very interesting. 'Looking for a place to eat, Mister? Two blocks to the left and try their Polish sausage. It's a specialty and delicious.'"

Green suggests that our visitors' interest and enjoyment in the Upper Peninsula will be greatly enhanced by friendly inquiry that points out the fascinating uniqueness of this area.

"Ever see a ghost lumber town? Ever visit an Indian cemetery? Ever see the fish tugs coming in from the lakes. Ever eaten fresh smoked chubs? Ever try a Finnish bath? Like to pick some wild blueberries? Ever see the bears in the garbage dump? Ever go down in a mine? Ever see a lake freighter loading ore? Ever visit a forest fire tower? Ever see the sunset over Lake Superior?"

The War on Poverty stresses the need to help the underprivileged. Brother, if you haven't done these things you're underprivileged.

Elite Rule In Soviet

Swedish studies show the Soviet Communist party and government are not now the party and government of the peasant.

A strong Soviet self-perpetuating upper class is growing. These studies by a key Swedish Ministry of Defense specialist on Russia reveal that in the Soviet Union:

Inherited taxes are strongly weighted in favor of the wealthy. Progressive taxation stops at a low level.

Inherited wealth may thus be expected to play a larger role in Russia as time goes on. The wage structure is highly beneficial to government and party officials.

MUCH FINANCING in the Soviet Union is accomplished by indirect taxes on food and consumer goods. These taxes hit the little man harder than the man with a high salary.

There is progressive income taxation. But the progressive principle stops at an income level most higher functionaries exceed.

A special tax schedule for authors and artists has the same easy tax principles built in.

The intelligentsia and higher government and party officials receive many other benefits. They are allowed large plots of land they can cultivate privately. They receive special sickness benefits and generous housing allotments.

High-salaried officials thus can easily accumulate considerable unearned income.

HIGHER EDUCATION is becoming increasingly expensive. The wealthy groups in the Soviet Union are favored in education for their children. Higher officials frequently have access to special scholarships for their sons and daughters are rapidly assuming a more and more dominating position in the universities, compared to their small numbers in the population.

Statistics indicate that the Communist party in the Soviet Union is now dominated by college graduates, with small representation in legislative bodies from the workers and peasants.

In the last Moscow party congresses for which there are figures, less than 5 per cent of the delegates were listed as workers. Party functionaries and administrative officials predominated.

In the last Ukraine party congress on which there are detailed figures, no delegate was classified as a worker or collective farmer. Two-thirds were party, government, army, intelligence and secret police functionaries.

The analysts expect this trend toward government by a favored class to continue to increase.

Q—Who were the first five men to be elected to the Baseball Hall of Fame at Cooperstown, N. Y.?

A—Ty Cobb, Walter Johnson, Christy Mathewson, Babe Ruth and Honus Wagner.

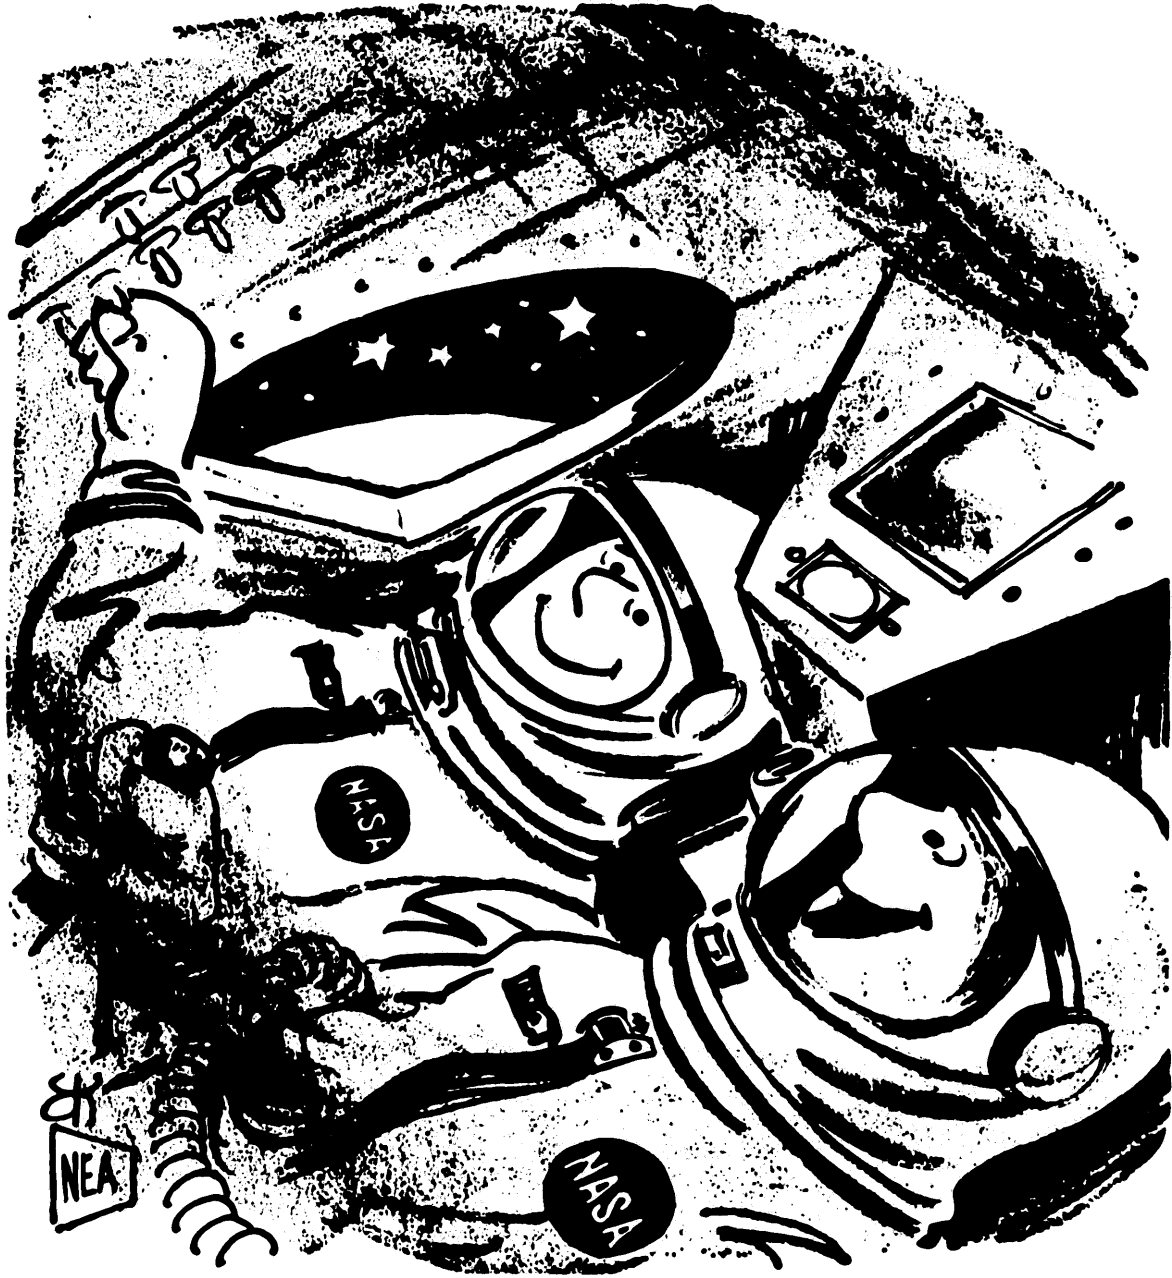

Q—How is the age of a wild mammal determined?

A—There is no known way by which this can be determined, but a general idea can be gathered from the wear of its teeth—provided the average life span of the species is known.

Q—Is Devil's Island still used as a penal colony?

A—No. France closed the famous penal colony and repatriated 2,800 inmates in 1948.

"And Remember on the Fourth How We Used to Shoot Those Skyrockets"

Michigan Mirror

By ELMER E. WHITE

Summer traveling is under way and motorists once again note the differences in auto license plates.

Visible differences are few compared to the number of rules applied to the issuance of vehicle plates by the states.

Easily seen is the fact that many states use slogans to promote the state in some way, like Michigan's own "Water Winter Wonderland."

Some states stick with the same colors each year; others change either periodically or with every new set of plates.

Size of the plates is the only thing that is the same. This, used to vary, but in 1957, the 12-by-6 inch plate became standard across the nation.

Seven states issue plates valid for the life of the car. In 11 states, tabs are issued annually to renew registration. The other states require new plates every year.

Some states require only a rear plate. Others, Michigan among them, issue two for each vehicle. Several states use special paint on the plates to make them visible at night.

Fees on the plates probably provide the greatest variance. State registration costs vary from \$3 to \$60 a year. The rates are based on horsepower, weight or age, or a combination of more than one of these factors.

In addition some county and city governmental units collect fees over and above the state levy.

More scholarship funds are available to college students than at any time in history, but one source of money is still tighter than the educators would prefer.

Many students who cannot qualify for outright scholarships or other grants still need financial assistance and seek loans against future earning power.

Herein lies a major problem for both the individual student and the Michigan Higher Education Assistance Authority, which administers state and federal loan programs.

Many banks in Michigan have declined to participate in the Authority's program because money costs are rising and the authorized rate of interest under the program is lower than what a bank would normally charge for a loan.

Only 174 of the 365 banks in the state are in the program. Officers of these institutions frankly admit their participation is based largely on the public relations aspect of the loan program; today's student borrowers are tomorrow's savings customers.

Dr. John W. Porter, executive director for the Authority, reports a number of students are not able to obtain loans because of the low number of participating banks.

Arguments by the Authority to induce banks to participate include the fact that most of the loans would be guaranteed. The Authority itself has funds to guarantee about \$5 million in student funds.

Additional loans under federal government programs are also guaranteed.

One banker who refused to join the program stated his reason flatly: "We're not a philanthropic organization. We have a responsibility to our stockholders."

The Authority continues working to encourage more banks to be more public service minded despite the fact that the cost

of processing student loans is often close to the income from the loans.

Disgruntled and disillusioned, most legislators took to their home districts to campaign for another term.

At the beginning of this session there was much praise for the legislature's performance. Members seemed to be settling down sensibly and determined to get things done. But the pace soon bogged down.

Box score for the '66 session showed it took nearly as many days to pass slightly more than half the number of bills enacted in 1965. In 103 days this year, as compared to 126 all of 1965, some 252 bills were passed through both chambers. Last year the Governor received 442 bills.

Numbers alone do not measure the value of activity, but the record will show that there was much time wasted, much hot air expended and much left undone.

Biggest problem of the legislator is a changing philosophy about his own job. That leads to the next biggest problem he faces.

One of the newer traffic problems got three-pronged attention in the legislature this year: the mounting problem posed by the increased use of motorcycles. Any city newspaper tells the tale daily. In the Lansing area, for example, a two-week period recorded motorcycle accidents almost every day. Injuries were involved in every accident.

Concern over this problem is great at least partly because of the higher potential for serious injury in crashes involving motorcycles. Laws regulating the use of motorcycles are nonexistent in most states.

The National Safety Council started a major campaign this year to encourage states to control motorcycle activities to some extent.

Primary reason was the 1,500 cycle deaths recorded the past couple years. The Council noted cycle owners often had no special knowledge about their vehicles, although safe driving requires know-how and extra ability.

Salesmen were known to give only brief instructions on the mechanical processes for getting the vehicle on the road.

My wife tells me I am not a very good driver because I pay too much attention to our four grandchildren.

The Doctor Says: Ann Landers

By Dr. Wayne G. Brandt

When you register at your hotel you should inquire about the safety of the tap water unless you are in the tropics, where you had best assume that it is unsafe for drinking.

Under such circumstances you should stick to commercially bottled and capped water (not bottled by your hotel or restaurant) or you can treat the tap water with Halazone tablets before drinking it. The same applies to water used to rinse your tooth brush.

Beer, wine and hot drinks can be drunk with safety but don't count on the alcohol in your highball to purify the ice cubes. It is best to avoid all drinks, hard or soft, to which ice is added.

If you are taking medicine regularly, you should carry a supply with you but there is no need to carry a medicine chest of drugs you might need. You can get them in the country you are visiting if you find you need them. An identification card containing pertinent medical information about yourself should be carried on your person.

You can find a good doctor who speaks passable English in almost any part of the world but, if you should need a doctor, it is sometimes good economy to place a long-distance call to your family doctor. He may be able to give you the reassurance you need and he can certainly give a foreign doctor you are consulting valuable information which may speed your recovery.

If your medical insurance policy covers the medical care you receive anywhere in the world, you should carry some application blanks for your foreign physician to sign.

Don't overdo. This is a great danger if you are on a planned tour. Unless you are very rugged or very young you should select a tour that allows an ample amount of free time because overfatigue is one of the chief causes of illness on a vacation trip.

One of the newer traffic problems got three-pronged attention in the legislature this year: the mounting problem posed by the increased use of motorcycles. Any city newspaper tells the tale daily. In the Lansing area, for example, a two-week period recorded motorcycle accidents almost every day. Injuries were involved in every accident.

Little Runt Ought To Give Up Smoking

Dear Ann Landers: My husband has a thing about placing long distance telephone calls. He just hates to do it. So I must take over this thankless chore.

If he would tell me who he wants to call and leave me alone, everything would be fine. But, no—he stands by the phone, makes motions with his eyes and his hands, writes notes and shoves them in my face. When he begins to pull at my arm and shout instructions at me, I get mad. The long distance operators must think I'm a subnormal child.

Last night I told him I won't place any more calls for him unless he leaves me alone. He says he wouldn't yell at me if I did it right. We've had so many arguments over this that I'm turning to you in desperation. Please help—DIAL 211.

Dear Dial: Ask your husband to write down (a) the name of the person he wishes to reach and (b) whether he wants you to place a person-to-person call or a station call.

Ask him to wait in another room until you have the party on the line or word that the party cannot be reached. This should put an end to the problem.

Dear Ann Landers: I am a boy who is almost 14 years old and very worried about something. I have been the shortest kid in my class ever since I can remember. Mom keeps telling me I'll catch up and not to worry about it. But I am not catching up and some of the guys I hang around with are almost 6 feet tall.

Could smoking be the cause of me not growing? Please answer in your newspaper article. Thank you. —SAVED OFF RUNT

Dear Saved Off: Smoking does not stunt growth. (I heard the same old wives' tale when I was a teen-ager.) But it could cause other—and more serious—problems if you keep it up. Smoking over a long period of time can damage your blood vessels and give you real throat and lung trouble. Knock it off, Bub.

Dear Ann Landers: My mother and I had an argument last night. It all began when a fellow I grew up with asked me out. (We are the same age, 17.) I dated him twice during spring vacation and decided not to date him any more because

he just like a brother. My mother likes this guy a lot. When she heard me turn him down she became upset and asked why I would refuse to date such a wonderful fellow. When I told her I didn't get a charge out of him she looked at me like I was a scarlet woman or something.

I tried to explain that when a boy holds my hand or puts his arm around me I want to feel a certain little excitement. She said I was "disgusting." When I asked her how she could have married daddy if she didn't get a charge out of him, she gave me a lecture on my dirty mind.

I would like your opinion on this argument and your verdict.—J. W.

Dear J. W.: There is nothing disgusting or dirty about that "certain little feeling of excitement." It is as natural as hunger or thirst. It is one of the basic human drives that keeps the earth populated.

I do think, however, that a girl who would refuse to date a fellow because he doesn't turn her on, makes a big mistake. The most enduring kind of love doesn't make you go boom-boomngg the minute your eyes meet his—like it says in the songs.

What is French kissing? Is it wrong? Who should set the necking limits—the boy or the girl? Can a shotgun wedding succeed? Read Ann Landers' booklet, "Teen-Age Sex—Ten Ways To Cool It." Send 50c in coin and a long, self-addressed, stamped envelope.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper enclosing a stamped and self-addressed envelope.

Outdoor Writers Add Scholarship

PORT ST. LUCIE, Fla. (AP)—The Outdoor Writers Association has established an at-large scholarship for college students who want to study outdoor writing and conservation.

The association's board of directors will receive applicants for the \$500-a-year scholarship until Aug. 1. Two similar scholarships also were established at Kansas State University and Michigan State University.

People, Events Of Yesteryears

From the files of the Escanaba Daily Press

10 YEARS AGO

Little Bay de Noc echoed with the sounds of barbershop harmony. The Bay de Noc barbershop male chorus, under the direction of Sam Ham, combined a boat cruise with their regular weekly rehearsal. Boarding the Roy Jensen cruiser, "Lucky Strike" chorus members from the Escanaba area cruised up the bay to Gladstone.

Work was rushed in an effort to complete the Karas Memorial Shell for the dedication, July 4. Loren Jenkins, city engineer, said.

25 YEARS AGO

An order for 34 giant reflectors and other equipment needed for Escanaba's lighted softball field south of the fair grounds, representing an investment of more than \$800, was placed with the Westinghouse company by the lighted field committee of the city diamondball association.

City workmen began to prepare a bathing beach at Ludington park which would be located on the outer edge of the sand area just across the newly constructed bridge.

BARBS

By WALTER C. PARKES

Lack of imagination makes life seem simple.

Memorial Day weekend set a traffic fatality record. If you missed being killed, don't fret, July Fourth is coming up.

Fatigue is relative. Like being too tired to mow the lawn

but not to plod 18 holes over a golf course.

June 1 brought record low temperatures to many areas. What is so raw as a day in June?

Hat's They'll Do It Every Time

US Commanders Confident Allies Can Smash Reds

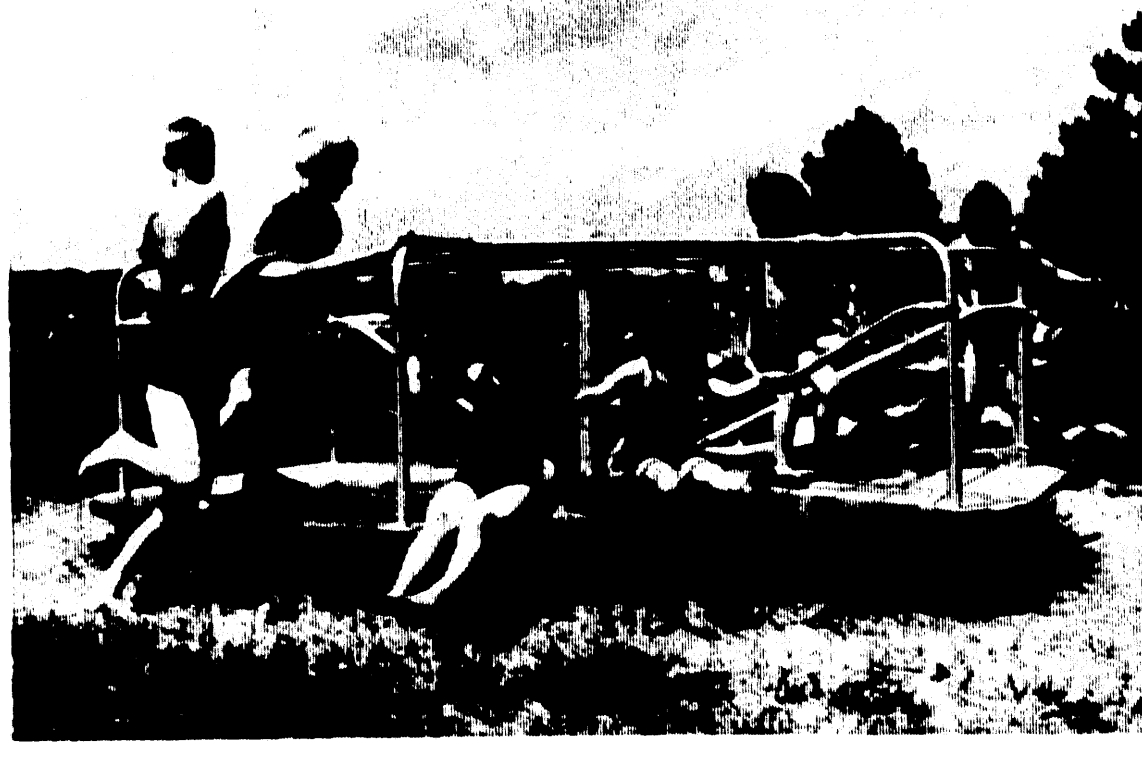

SAIGON, South Viet Nam (AP) — U.S. commanders are guardedly confident that the tide of war in Viet Nam is running in favor of the allies.

They feel they can smash a Communist monsoon offensive if there is one.

Their optimism stems largely from military successes of the past three months, a time when South Viet Nam was wracked with political turmoil and crack Vietnamese fighting units were pulled out of the line.

The guarded U.S. optimism stems from these factors:

1. The United States and its allies have clearly seized the initiative and are seeking out the enemy in ever-increasing offensives. In one recent week allied operations reached a record high of 39 search-and-destroy sweeps by 1,600 troops or more. Of these, U.S. forces launched 25.
2. The massive buildup of allied forces continues. The United States has 270,000 troops here and expects to add 100,000 more before the end of the year. Nearly all of these will be combat forces rather than logistic or support troops. The Australians have just finished increasing their force from 1,500 to 4,500. The South Koreans have nearly 25,000 men now and will add 17,000 more by August.
3. New weapons, new tactics and, importantly, new methods of intelligence in detecting the Communists and anticipating their intentions are paying off.
4. The high mobility of U.S. and allied forces, built around the helicopter, is proving a decisive battle factor.
5. U.S. air attacks on North Viet Nam are disrupting supply and transportation lines, hampering war production and hurting morale. In South Viet Nam, U.S. planes are supporting ground actions by the allies and keeping the Viet Cong from massing for offensives.

Bond Waiver Law Is Signed

WASHINGTON (AP) — President Johnson signed into law today a bill which permits poor people awaiting trial in federal court to be released without bond. He said it will "eliminate needless, arbitrary cruelty."

At a signing ceremony in the East Room of the White House, Johnson said that with the reforms "we can begin to insure that defendants are considered as individuals and not as dollar signs."

Heretofore, he said, the scales of justice have been weighted not with fact nor law nor mercy but with money.

Because many defendants could not afford bail in the past, Johnson said they often languished in jail for "weeks and months and perhaps even years before trial," not because they were guilty or had been sentenced but because they were poor.

Governors Call For Ending Of Seaway's Tolls

CINCINNATI, Ohio (AP) — Governors of Great Lakes states at the Midwestern Governors Conference have joined in calling for an end to St. Lawrence Seaway tolls.

Illinois Gov. Otto Kerner asserted Tuesday that a proposed toll increase "would have a crippling effect on the use of the seaway by our state's exporters."

"I am also disturbed," he added, "that the major impetus for consideration of the subject of toll revisions came from private and public interests representing the East Coast area."

He called for conference approval of a resolution adopted earlier by the steering committee of the Midwest Resources Association, forum unit of the group, asking a moratorium on tolls pending a study. The resolution was sponsored by Minnesota Gov. Karl F. Roivaag, Conference chairman.

Ohio Gov. James A. Rhodes told conferees flatly that tolls should be lifted from the seaway. "Congress should pay for the seaway," he asserted.

Two More Cuban Athletes Defect In Puerto Rico

SAN JUAN, P. R. (AP) — Two more Cuban athletes have defected to seek asylum in the United States as the end of the Central American and Caribbean games in San Juan draws near.

Francisco Marti Gonzales, 20, a swimmer, and Hector Rodriguez, a track man, left their team Tuesday, bringing to three the number of Cubans to defect since the games started 10 days ago. Marti said five or six others plan to defect.

Juan Pablo Vega Romero, 18, a wrestler, sought asylum June 13.

The Cuban government sent a 257-member delegation to the event, which ends Saturday. About 10 Cubans defected during the last games in Jamaica in 1962, most of them in the final days.

Lamprey Fight Success Seen

SAULT STE. MARIE, Ont. (AP) — The battle against the destructive sea lamprey is being won in the Great Lakes, Donald McKernan, director of the U.S. Bureau of Commercial Fisheries, said Tuesday.

McKernan spoke at the opening of the four-day annual meeting of the Great Lakes Fishery Commission here.

McKernan said the sea lamprey in Lake Superior has been 90 per cent decimated and lake trout there have increased tenfold in the past few years. He said his report was based on 1965 catches of lampreys in electrical stream barriers and lake trout in commercial nets.

Lake Michigan is following close behind the Lake Superior success story, McKernan said, adding that the same outlook can be expected for Lake Huron when anti-lamprey operations there reach full stride.

Highlight of the first day's events was the official opening of a new \$140,000 Canadian sea lamprey control center, established on St. Mary's Island in St. Mary's River.

The new center has a staff of 29 workers in three buildings, an office, laboratory and chemical storage facility.

All Canadian lamprey control programs have been moved to the new center from London, Ontario.

Farm Workers' Pact Is Signed

LOS ANGELES, (AP) — The National Farm Workers Association has its first major contract—a giant stride in the union's drive to organize those who pluck and tend the nation's bountiful crops.

The union and Schenley Industries Inc. signed Tuesday a one-year agreement involving 450 men and women who pick and care for grapes on the company's 3,600-acre vineyard near Delano, in the central California Valley.

At the heart of the agreement is a 35-cent hourly wage increase, raising the Schenley minimum wage to \$1.75 an hour. The company also agreed to a union shop and union hiring hall, making the union its prime labor source.

The agreement provides that the company must give the union 72 hours notice of a need for workers. The company is free to hire outsiders if the union fails to provide the workers in that time.

Decision Nears For Soo Tech

LANSING (AP) — Representatives of the State Board of Education and Michigan Technological University met Monday to discuss proposals that the university's Sault Ste. Marie Branch become independent in the near future.

An advisory committee has recommended that the branch be allowed to expand to a four-year operation in certain fields and that it then become independent, with a separate name, governing body and budget.

Peter Oppewall, a board of education member indicated the board probably would decide on the proposal at its June 29 meeting in Detroit.

Monday's meeting dealt with ground rules for the changeover if the board approves it.

Oppewall, Marilyn Jean Kelly and Charles Morton represented the board of education. Representing Michigan Tech's board of control were James Fenlon of Sault Ste. Marie, David Morgan of Midland and Louis Verette of Iron Mountain. Michigan Tech President Raymond Smith and Kenneth Shoultz, director of the Sault Branch, also attended.

The advisory committee recommended that the branch's three-year programs in biological science, medical technology and business administration be expanded to four-year programs.

Show Reds They Will Lose Says Gov. G. Romney

CINCINNATI (AP) — Michigan Gov. George Romney said Tuesday he believed the United States is not going to bring North Viet Nam to the bargaining table by just showing them that they can't win.

"We have got to show them that they are going to lose," Romney said.

Romney spoke at a news conference during the Midwestern Governors Conference here.

Romney said much more is at stake than just the Viet Nam war. "We are losing effective relationships all over the world. We are tied down there and neglecting our other problems," he said.

On the domestic front, Romney said that the federal government is developing too many programs.

"I'm not saying the federal government shouldn't initiate programs," he said, "but it is bypassing the states and dealing with local governments so that it is hard to know who is doing what."

He also said the GOP should concentrate on 1966 and not 1968 at this time.

DeGaulle Has Criticism For US War Policy

MOSCOW (AP) — President Charles de Gaulle discussed the war in Viet Nam with Communist chief Leonid I. Brezhnev today and French sources reported their views were similar.

The informants said De Gaulle was critical of U.S. policy on Viet Nam while Brezhnev savaged the United States of savage aggression.

The French sources said the two leaders "noted the convergence of their points of view on the Viet Nam situation."

They also reviewed Soviet-French relations in the economic, cultural and scientific fields, the sources said. This reportedly included reference to agreements on joint space ventures and technical cooperation which were worked out in advance of De Gaulle's visit.

He arrived here Monday and held formal conferences with Soviet leaders in the Kremlin Tuesday and today.

Earlier French sources said differing viewpoints had slowed the opening round Tuesday.

"When we talk about easing of tensions, they talk about security," one French informant complained.

Dodd Probers To Hear Klein

WASHINGTON (AP) — The Senate Ethics Committee starts taking public testimony today in its investigation of misconduct charges against Sen. Thomas J. Dodd.

James P. Boyd, Jr., 37, Dodd's former administrative assistant, was called as the first witness. Boyd has acknowledged turning over thousands of documents from the senator's files to columnists Drew Pearson and Jack Anderson.

The initial round of hearings by the bipartisan committee is limited to inquiring into Dodd's relations with Julius Klein, owner of a Chicago public relations firm and a registered agent for West German interests.

In a series of columns Pearson and Anderson pictured Dodd as serving as "an errand boy" for Klein, delivering Senate speeches ghost-written by Klein and making a special trip to West Germany in 1964 to help Klein retain his clients there.

Dodd, a Connecticut Democrat, has denied these and other charges and filed a \$2 million libel suit against the columnists. Klein, a retired Army major general who has been active in Republican politics, also has denied the charges.

Dodd has said he welcomes the investigation.

The committee voted unanimously Tuesday to call Klein to testify at its public hearings.

Guardsmen Stage Big Mock Battle

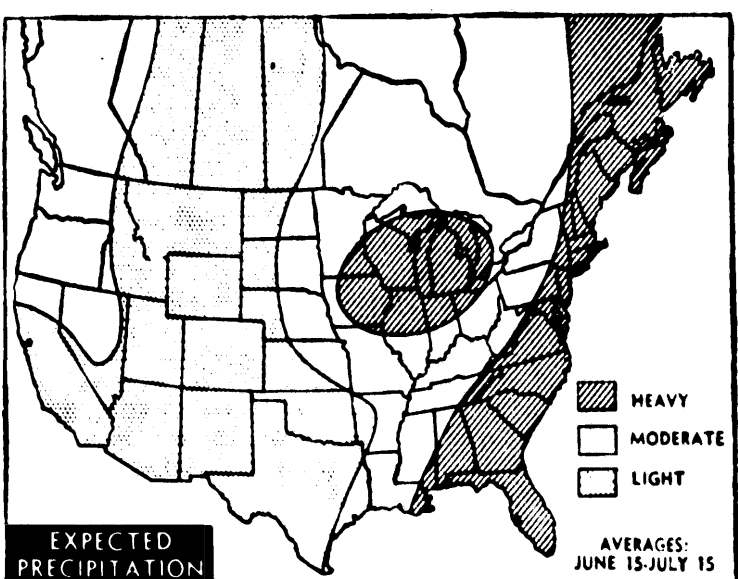

GRAYLING (AP) — Some 3,500 Michigan National Guardsmen today began a 55-hour mock fight in the woods of Camp Grayling.

Troops of the 2nd Brigade, 46th Infantry Division, began an Army training test against an aggressor force of 225 men. The 2nd Brigade is part of the high priority Selected Reserve Force, created last fall by Secretary of Defense Robert McNamara.

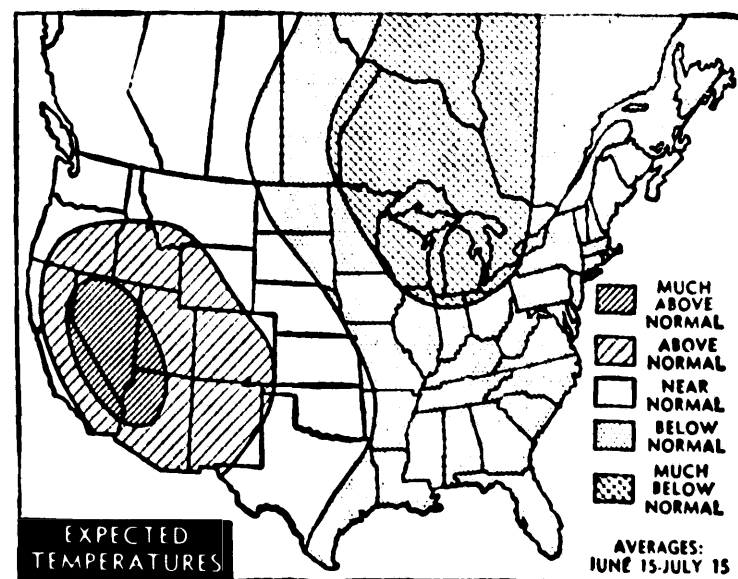

If the brigade passes the test of combat readiness, its annual drill requirement will be reduced from 72 to 58 meetings.

Summer Starter

Maps show Weather Bureau's estimated forecast of average temperature, precipitation through July 15.

THE ATLANTIC SEABOARD is in for some wet weather along with the Great Lakes, while precipitation is expected to be sparser than usual throughout the Intermountain West, the Southwest and most of California.

COOL IN THE EAST, warm in the West is the temperature outlook. A chilly zone over the Upper Great Lakes will be balanced by readings much above normal in a wide area of Nevada, California and Arizona.

Osteopath School Bill Is Defeated

LANSING (AP) — A bill to create a state osteopathic college authority was defeated for the second and third times in the House Tuesday.

The Senate - approved bill, which also was defeated and revived twice in House committee, apparently has reached the end of the legislative road after more than 16 months.

The measure was defeated 44-47 in the first vote Tuesday. It was reconsidered, debated and defeated a second time, 49-47. It takes 56 votes to pass a bill in the House.

The measure would have created a 15-member authority charged with running the college, to be built in Pontiac.

Let the grass grow, George (but not under your feet).

Your Chevrolet dealer is mowing prices right now!

Your Chevelle Malibu 4-Door Sedan will come with eight safety features now standard, like seat belts, front and rear. Always buckle up.

Look at all that comes standard on your new Malibu Body by Fisher • Rugged deep-twist carpeting • Sumptuous interior, with vinyl door panels and sidewalls for easy care • Little things like an electric clock and glove compartment light • Trusty Chevrolet engines like the Hi-Thrift Six or a 195-hp V8.

Judith Williamson, John Korhonen Wed

Miss Judith Ann Williamson cured their gold blusher veils of Rte. 1, Rapid River (North Delta) became the bride of 2nd Lt. John D. Korhonen stationed at Ft. Benning, Ga. at a candlelight ceremony performed at 7 p. m. at the Calvary Lutheran Church in Rapid River on Saturday, June 18.

Officiating at the double ring nuptials were the Rev. George Olson of Calvary and the Rev. Thomas Asuma of St. Mark's Lutheran Church in Marquette. Parents of the couple are Mr. and Mrs. George L. Williamson of Rte. 1, Rapid River and Mr. and Mrs. Henry Korhonen of Marquette.

Silk Organza

The bride was attired in a floor length sheath gown of white silk organza fashioned with a fitted bodice with appliqued alencon lace and long sheer sleeves. Appliqued lace also edged the sheath skirt and the sleeves. A chapel length train appliqued with lace was attached to the base of the V neckline at the back of the gown.

A double cabbage rose headpiece of silk organza trimmed with pearls and lace held her elbow length veil of silk net. She carried a cascading arrangement of white roses.

Maid of honor for the bride was Miss Sherry Plutchak of Stevenson and Mrs. Donna McShane of Chicago, a sister of the bride, was bridesmaid.

Serving as bestman was James Breggi of Detroit and Larry Kremer of Seattle was groomsman. Performing ushering duties were Roger Contois of Marquette and Gerald Williamson, a brother of the bride.

Concert Tonight At Noa Home

The bride's attendants wore Empire styled floor length gowns fashioned with gold lace bodices and lemon taffeta skirts. They were designed with scoop necklines, elbow length sleeves and gold lace panels flowing from the neckline at the back of the gowns. Gold satin bow headpieces se-

Mrs. Rachel Groos will present an electric organ concert accompanied by the Soo Hill 4-H Club this evening in the main lobby of the Bishop Noa Home. The concert will begin at 7 p. m. This will be the first social event for Mrs. Vance Sailor and Mrs. Alma Brown, newest residents of the Noa Home.

Women's Activities

MRS. THOMAS Lee Butch, the former Miss Margaret Alice Smith of Westchester, Pa. exchanged vows in a single ring ceremony performed Saturday, May 21 at the Bethlehem Methodist Church in Thornton, Pa. The Rev. Karl Agan solemnized the nuptial vows at 2:30 in the afternoon. Parents of the couple are Mr. and Mrs. Eugene Maurice Smith Jr. of Westchester and Mr. and Mrs. Joseph Butch of 1120 Dakota Ave., Gladstone. The couple will reside in Ann Arbor, where the bride is employed as a research bacteriologist for the Parke-Davis Co. Mr. Butch is presently attending the University of Michigan Law School and will graduate next spring.

Powers-Spalding

The Fluoride Program for Powers Spalding area will be held June 23 to July 7 at the Powers-Spalding gym from 9 a. m. to 4 p. m.

The 1946-47 classes from Powers-Spalding High School are having a joint reunion at the American Legion hall in Powers Saturday, July 2. Dinner will follow the cocktail hour at 6:30.

The committee met Monday evening June 20 at the home

of Mrs. Robert Robinette. Committee members are Mrs. Douglas Geline, Mrs. Edward Monahan, Mrs. James Farrell, Groos, and Mrs. Robinette.

Personals

Mr. and Mrs. Russell Myers announce that the marriage of their daughter Carolyn to Edner will follow the cocktail die Gouin will not take place.

McLain Gets 11th Victory As Tigers Cement Second

WASHINGTON (AP)—Was it Denny McLain's professed hot weather skill or was it just a lucky number? Whatever it was, the right-hander hurled his 11th victory as the Detroit Tigers beat the Washington Senators 5-2 Tuesday night.

McLain pitched his strongest game in three weeks as he moved the second-place Tigers to within two games of Baltimore in the American League pennant race.

Dick McAuliffe led the Detroit attack with a triple and a double. Jim Northrup added a

Camp Steals Game In 9th

KANSAS CITY (AP)—Campy Campaneris stole a victory for the Kansas City A's in the last half of the ninth inning Tuesday night—the third time that's happened in four games—so comparisons with Maury Wills of Los Angeles were inevitable.

"At his age Camp is way ahead of Wills at the same age," said Alvin Dark, A's manager. "This boy is only 24 and Wills was almost 27 when he came up to the Dodgers in 1959 (after eight seasons in the minors).

"I don't like to compare ball players directly," Dark said. "He didn't want to compare them skill-for-skill, talent-for-talent because the little Dodger shortstop who stole 104 bases in 1962 is much older."

"But if Campy keeps on improving the way I know he can, who knows?"

Campaneris has only 10 stolen bases in his first 53 games compared to his season total of 31 last year which led the American League. But this is deceiving.

The swift little Cuban is making use of his speed more effectively this season in more phases of the game. Against the White Sox Tuesday night, he twice beat out bunts down the third base line—something he seldom tried last year.

Nervous fielders have made costly errors trying to cut him down and opposing pitchers make many more wild pitches when he's on base.

With the score tied 8-8 in the last of the ninth Tuesday night against Chicago, Campy opened by beating out a ball to short. He was sacrificed to second. He then surprised by stealing third, the throw was wild and he scored to win it 9-8.

Seagulls Race Here Tonight In First Event

With their shakedown race out of the way, skippers of the Seagull sailing fleet will begin their first series of races at the Escanaba Yacht Harbor this evening.

The sailors put their craft into racing shape with the shakedown event last Sunday afternoon.

The first series of the Gust Asp Trophy races will begin at 6:30 today.

The second race in the series will be staged from the Yacht Harbor Sunday, starting at 2 p. m.

There are 11 Seagull boats in the water at present and all are expected to compete in the first event.

Bill's Notches Second Straight

Bill's Bar of Rapid River captured its second straight victory in Central league softball action by defeating Ensign, 14-2.

Doug Moss slammed two homers and a triple to set the plate pace and Larry Lundin contributed four hits. Fran Lancour tossed a three-hitter from the Rapid River mound.

Johnson's Lusty Hitting Too Much For Pittsburgh

Pittsburgh was bothered by smoke but it was just like old times for a few minutes in Cincinnati Tuesday night.

Midway through the first inning of the Reds' 11-8 victory over the Pirates, the engineers and a friendly little breeze combined to float a cloud of black smoke into Crosley Field.

That touch of oldtime atmosphere was the last friendly gesture Cincinnati made all night once Johnson went to work.

The Pirates had grabbed a 3-0 lead in the first inning before the smoke from neighboring Union Station began blowing into Crosley Field.

The cloud caused a delay of four minutes while it floated down the first base line, over to the mound and on out to the outfield. The players could hardly see each other and when it finally cleared, the umpires threw a ball to the outfielders to make sure they could see.

When play resumed, the Reds hopped on Woody Fryman for four runs and a lead they never relinquished. Johnson hammered a three-run homer in the second, climaxing a five-run Reds' rally that built a 9-3 lead.

After coming out of the smoke, the Pirates pecked away at the lead but never caught up. Johnson added a double and scored two runs in addition to his three RBI.

Elsewhere, New York shaded St. Louis 2-1 on Bob Shaw's four-hitter, Atlanta dropped Philadelphia 4-1. Houston whipped Los Angeles 7-4 and San Francisco downed Chicago 9-7.

Bell Is Better With Curve Ball

BOSTON (AP)—Gary Bell is pitching better these days as a rejuvenated starter for the Cleveland Indians and the reason for his success is quite simple.

"I'm getting my breaking ball over the plate and the hitters don't know what to make of it."

The 29-year-old Bell, fresh from a 2-1 victory over the Boston Red Sox Tuesday night, explained that "the hitters have been waiting for my fast ball. But I've found something new in a breaking pitch that goes over the plate. I guess I've amazed the hitters." They don't know what to do.

The husky right-hander says he likes his starting role and his surprising 7-2 record bears him out.

"I love being a starter. I haven't set any pitching goals for this year. I'm just trying to stay out of the bullpen."

Bell was a starter for the Indians for four years before being exiled to the bullpen where he served another four-year hitch.

It was Bell's slider, low over the outside corner that tied up Boston's power hitters Tuesday night.

"That's the best control I've had with my breaking pitch," he said, noting that he also had a good breaking ball in his last outing — a game the Indians lost to Washington although Bell wasn't around to absorb the loss.

"I really can't explain why the breaking pitch is going over the plate now. I just convinced myself I could do it and it seemed to work."

Friets Batters Highland's Par

Dave Friets battered par in the Highland Twilight League as he fired a blistering round of 34, the lowest score of the short season. Friets also finished with 38 the second round.

Also firing a pair of 38's was Mel Manske. Don Wertz and Jack Smith shot 39's, and Dick Nelson finished with a 40.

The league race really tightened up as the Baumeers garnered seven points to move into second place, a scant half point behind the season-long leaders, the Long Knockers. In third place, a full point back are the Turf Kings, and in fourth, just 2 1/2 points off the pace are the Has Beens.

Golf ball winners last night included George Mikovich, Bob Monson, Eddie Motto, Jim Anderson, Dave Friets and Adolph Johnson.

Team Standings: Long Knockers 26, Baumeers 25 1/2, Turf Kings 25, Has Beens 23 1/2, Super Valus 22 1/2, Hackers 20, Big Stickers 19 1/2, Divot Diggers 19, Rum Dums 17 1/2, Hi Flyers 16, W. R.'s and Wertz's Watuisis 15, Earl-E-Birds 14 1/2, Barney's Beavers and Got Yas 14, Team No. 17, 11, Doug's Dubbers 10, Team No. 18 1 1/2.

Johnson's Lusty Hitting Too Much For Pittsburgh

In the American League, Baltimore split a doubleheader with New York, winning 7-5 before losing 8-3. Kansas City edged Chicago, 9-8. Detroit defeated Washington 5-2. Cleveland edged Boston 2-1 and California downed Minnesota 10-7.

Shaw won his third straight game for the Mets, allowing only two hits after the second inning. Tim McCarver spoiled his bid for a shutout with a seventh-inning homer. McCarver was the only Cardinal to get past first base against the veteran right-hander.

Three singles and an infield out produced both Met runs in the fourth, as New York snapped a four-game losing streak and a four-game Cardinal win string.

Hank Aaron hit his 24th home run and Denny Lemaster pitched a five-hitter as the Braves downed the Phillies.

Aaron's total matched the National League mark for homers through June. He has nine games left this month in which to break the NL record and try for the major league high of 30 held by Babe Ruth.

John Bateman drove in four runs — three of them on a bases-loaded double — as the Astros beat the Dodgers for the second straight night. Mike Cuellar saved the victory for Dick Farrell.

Juan Marichal became the major league's winningest pitcher with his 13th victory as the Giants outlasted the Cubs. Marichal was tagged for 10 hits but hung on to pitch the complete game.

ways get more — like eight or nine."

He had 10 Tuesday, getting Bob Saverne four times.

The Tigers did all their hitting and scoring in two innings. It took only five hitters to knock starter Diego Segui out of the box in the first as the Tigers scored three times. In the fifth, the same part of the lineup jumped on Dick Lines for two more runs.

Mickey Stanley made his first appearance since May 13, filling in for Al Kaline in the eighth and ninth innings. Don Wert also rejoined the team Tuesday but did not play.

Mickey Lolich, another recent returnee, will start tonight against Phil Ortega.

Grid Classic Early Sellout

EAST LANSING (AP)—The Michigan-Michigan State football game at East Lansing Oct. 8 already has been declared a sellout.

The only exceptions, said Bill Beardsley, MSU ticket manager, are the few season tickets still remaining.

It is one of the earliest sellouts on record for the classic, which has drawn capacity crowds every year since 1947.

Beardsley said a drawing probably will be held to select the winners among game ticket orders already on hand. Orders received after June 15 are being returned.

Rev. Davidson Is Transferred To Newberry

Rev. Harry J. Davidson of First Methodist Church is being transferred to the Newberry Methodist Church this week and will conduct his first service there Sunday.

Succeeding him here will be Rev. William Kelsey, coming from Bentley. He and Mrs. Kelsey have two teenage daughters and a 5-year-old son.

Rev. Davidson, who came four years ago, is a graduate of Adrian College and Garrett Biblical Institute supply pastor school.

He previously was pastor at Millville. Rev. and Mrs. Davidson have a daughter, married and living in Mount Clemens, and a son in Germany with the Armed Forces network.

Robert Berger Receives Degree; Wins Fellowship

Robert Berger, son of Mr. and Mrs. Pete Berger, 426 Walnut St., has been graduated from the University of Chicago law school.

Graduating in the top 10 percent of his class, he has been elected to the Order of the Coif and was awarded the degree of doctor of law, cum laude, at the university's 314th convocation in Rockefeller Memorial Chapel.

A 1959 graduate of Manistique High School, Berger received his bachelor's degree in economics from the University in 1963. While in law school he served on the staff of the University of Chicago Law Review and participated in an Indigent Appeals project designed to help Illinois courts handle the increased number of appeals in criminal cases.

Berger has been given a foreign law fellowship and plans to study French civil law at Chicago and in France for the next two years.

Mr. and Mrs. Berger, daughters Louise and Mabel Ann and niece, Mary Weber attended the exercises in Chicago.

MANISTIQUE

Jeanne Freeland, Donald McNeil Wed

In a 2 p.m. double-ring ceremony Saturday in First Baptist church, Jeanne Kay Freeland became the bride of Donald Roger McNeil.

Music was provided by Mrs. Roy Pitts and the Zook family sang two selections.

The bride is a daughter of Mr. and Mrs. Clare Freeland, Gulliver. The bridegroom's parents are Mr. and Mrs. Donald McNeil, Gould City.

Mrs. Robert Archambeau, Pontiac, was matron of honor and Mrs. James Freeland, Ishpeming and Karen Estren, Manistique were bridesmaids. Michael Tennyson of Gulliver was best man. Groomsman were James Freeland and Richard McNeil.

A full length gown of white peau de sole was worn by the bride. The gown was fashioned with fitted bodice, bateau neckline trimmed with seed pearls and lace, long tapered sleeves coming to points at the wrist, bouffant skirt and court train.

Former Resident, Mother of Three Earns BA Degree

Mr. and Mrs. Stanley Carlyn have returned from New Jersey, where they attended graduation exercises at Fairleigh - Dickinson University. Their youngest daughter, Mrs. John (Betty) Kelley was among the graduates.

Mrs. Kelley, whose husband works for Federal Electric, decided to attend classes at the University part-time and has earned a bachelor of arts program. She scheduled her classes over a 6-year period, to permit opportunity to care for her home and family. She has three sons, aged 12, 14 and 16.

When her fellow graduates of 1946 hold their reunion here the weekend of July 4th she will be among those attending. Orville Freeman, secretary of agriculture was speaker for the commencement exercises, held at the Madison, N. J. campus of the university. She attended classes on Teaneck campus.

Mrs. Kelley will teach fourth grade in Paramus school. Her entry in this field joins her with a family tradition of teaching. Her father taught 46 years in Manistique High School, and he has three sisters who were teachers. Her brother, Stanley Carlyn Jr., also is a teacher, at Marshall, Mich.

Rev. Eaton Opens Art Gallery

Rev. Paul Eaton, former Manistique art teacher has opened a religious book store and art gallery at 2559 N. Downer Ave., Milwaukee. The work of five artists, including Rev. Mr. Eaton are in the first display.

Obituary

SIGURD ANDERSON Funeral services were held at 2:30 p.m., Monday in Kefauver & Jackson Funeral Home for Sigurd Anderson. Rev. Ingmar Levin officiated. Burial was in Fairview cemetery. Pallbearers were John and Edward Klossowski, Arne Kirno, Antone Debelak, John Gurski and George Olson.

MRS. SAMUEL ANDERSON

Funeral services for Mrs. Samuel Anderson were held at 10 a.m., Tuesday in Messier-Broulliere Funeral Home with Rev. Robert Kennedy officiating. Pallbearers were John and Omer Olsen, Hassell Osterhout, Hugo Erickson, Tom Arnold and Wayne Stanley. Burial was in Thompson cemetery.

Her silk illusion veil was attached to a crown of lace and seed pearls. A cascade of red and white roses formed the bride's bouquet.

The matron of honor wore a floor-length gown of white lace over pink taffeta with fitted bodice, gathered skirt, short sleeves and bateau neckline. Her headpiece was a pink bow caught to a circular veil. She carried a pink rose.

The bridesmaids were attired in identical floor-length gowns of white nylon sheer over taffeta, sheffli embroidered with pink flowers, with pink cummerbunds and short sleeves. They also wore circular veils attached to pink bows, and carried pink roses.

Home in Pontiac

A turquoise chiffon over taffeta dress with matching flower hat and white accessories were chosen by Mrs. Freeland and a pink lace, 2-piece dress with matching hat and white accessories by Mrs. McNeil. Mrs. Freeland wore a corsage of pink carnations, and Mrs. McNeil, white carnations.

Decorations were in pink and white for a reception in Mueller Township hall from 4 to 6 p.m. A 3-tier cake topped with wedding bell, lilies of the valley and net formed the centerpiece. The cake was cut by Mrs. Ben Lockwood Jr., of Manistique. Mrs. Lloyd Smith presided at the silver service.

Mrs. Dan Rubick, at the punch bowl, Laura Lockwood for the guest book. Valerie McCloud and Saurilla McNeil assisted with gifts.

The bride is a 1966 graduate of Manistique High School. Mr. McNeil attended Engadine High School and is employed by Fisher Body Co. in Pontiac, where the couple will live.

Twilight Golf Still Paced By 19th Holers

The 19th Holers have 43 points, continuing to lead Twilight League Play at Indian Lake Golf and Country club.

The Pros are in second place with 39 and Whiffers, third with 32.

Tied at 31 are Gas House Gang, Barney Badgers and Brassies. Divot Diggers and Drivers have 30, Tigers, 29, Dubbers, 28, King Pins 26 and Svenskas, 22.

The 19th Holers and Pros entertain for play this week.

Church Events

Baptist WMS

At a meeting of the Women's Missionary Society of First Baptist church Monday evening, a report was received on the Lake Louise women's conference. Mrs. Wesley Buzzo, Mrs. Harold Ekblad and Mrs. Norman Andrews attended the conference June 15-17. At the July meeting, a pot luck picnic will be served at the cottage of Mrs. Clarence Thorell, Indian Lake. Hostesses were Mmes. Oscar Blomquist, Thomas Wood and George Miller.

Briefly Told

State Police ticketed Walter L. Hansen, Ishpeming, expired operator license and Lawrence J. Paulson, Livonia, speeding.

Hospital

Admitted to Schoolcraft Memorial Hospital were Eunice New, Alberta Gerlach, Aldean Segerstrom and Dawn St. John. Discharged were Doris De Rochers, Evelyn Boyes, Charles Thelander and Irma Lesatz and baby.

City Briefs

Mr. and Mrs. John Vieregover of Ypsilanti, former residents, spent the weekend with Mr. and Mrs. John Girvin and Mrs. John M. Hewitt.
Mr. and Mrs. James Doyle and family of Cleveland, Ohio, spent their vacation at the

GLADSTONE

WYNAND NIEUWENKAMP, manager of Alger-Delta Electric Cooperative, at lecturn, commended members and employees of the association for working throughout 1965 without a disabling injury. A plaque acknowledging the achievement was presented to the employees. Erwin Englund, cooperative superintendent, accepted the award for the employees. Pictured behind Nieuwenkamp are Arne Anderson, Edwin Casimir, Phillip Cretens, Ted Ppneau, Sam Boyer, England, Wayne Cassell and Walfred Salo.

Clyde Alworden, 60, Dies Tuesday

Clyde Roy Alworden, 60, 1404 Dakota Ave., died on admittance to St. Francis Hospital, 11:40 p. m. Tuesday.

He was born July 1, 1905, in Pellston, Mich., and has been a resident of Gladstone for the past 40 years. He was employed by the U. P. Pipe Co., was a member of the All Saints Church and Holy Name Society.

Surviving are his widow the former Mary Lancette; two sons, Roy and John of Kipling; one sister, Mrs. John Long of Cadillac; and two brothers, Lee of Gladstone and Glen Dolan of Pontiac.

Friends may call at the Skradski Funeral Home after 2 on Thursday. Parish prayers will be recited at 8 p. m.

Funeral services will be at the All Saints Church with Msgr. Matt LaViolette officiating. Burial will be in Fernwood Cemetery.

State Guardsmen In Camp Grayling

GRAYLING (AP) — Some 3,500 Michigan National Guard troops are undergoing two weeks of intensive training at Camp Grayling as part of the newly created Selected Reserve Force (SRF).

The 150,000 - man SRF was formed by Secretary of Defense Robert McNamara last fall to act as a first line reserve force for the regular Army.

Testing of the Second Brigade, 46th Infantry Division, culminates seven months of intensified armory and field drill.

Regular Army personnel and other units from the 8,500 - man 46th Division will test the Second Brigade on individual military proficiency and overall combat readiness.

The 46th Division is also training 800 recruits who did not receive regular basic training prior to summer camp due to overcrowding at Army training centers.

The division's summer encampment ends July 2.

Snipers Miss John Wayne On Visit To Marines

CHU LAI, Viet Nam (AP) — Veteran actor John Wayne, who fought with the U.S. Marines in the movies, narrowly escaped Viet Cong sniper fire near here while visiting Marines in Viet Nam.

Marine officers said Wayne was signing autographs when three to five rounds of rifle fire hit the dirt about 50 feet from the actor.

Wayne ignored the shots, officers said, and went on signing his name. Wayne is visiting American troops after completing work narrating a documentary film on Viet Nam.

Sour Cherry Crop To Be Down 45%

WASHINGTON (AP) — The Agriculture Department Tuesday forecast this year's production of sour cherries at 97,790 tons, down 45 per cent from last year and 40 per cent below average.

The department said the crop was sharply curtailed by May freezes in Great Lakes states. Production in five Great Lakes states — New York, Pennsylvania, Ohio, Michigan and Wisconsin — was forecast at 86,800 tons, not much more than half the size of last year's crop.

The indicated production by major producing states this year compared with last year: Michigan, 55,000 tons and 120,000; New York, 14,000 and 25,100; Pennsylvania, 8,000 and 14,000; Wisconsin, 9,000 and 8,000; and Ohio 800 and 1,400.

home of her parents, Mr. and Mrs. Martin Tholen, Garden Corners.

India Farmer To Visit City

Mr. and Mrs. James Walker and their four children, 1315 Wisconsin Ave., will have a visitor from India for three weeks this summer.

Tirunellayi Krishnam, 27, who has farmed in India for the past 10 years, will be guest of the Walkers from Sunday, June 26, to Sunday, July 17.

He comes to Gladstone through the International Farm Youth Exchange program (IFYE) which is administered by the 4-H Department of the Michigan State University Cooperative Extension service. He is sponsored on his visit here by the Escanaba Kiwanis Club.

Krishnam is married and is a linguist, speaking Mayalan, Tamil, and fluent English. His religion is Hindu.

He lives on a 20 acre farm, and irrigates 10 acres. The primary crops he grows are rice, sugar cane, and peanuts. His livestock consists of cattle and fish. His special interests are agriculture and 4-H. His hobbies are stamp and coin collecting, and photography.

This is the 19th year young people have been traveling to other countries under the IFYE banner, and the enthusiasm for the exchange program continues to grow.

IFYE participants and alumni are located in almost every part of the free world.

Mr. Walker is employed as a Conservation Officer. Children are Kathy, Margaret, Susan, and Jimmy.

Two Picked For 'Girl's Nation'

ANN ARBOR (AP) — Two Michigan high school girls will represent their state at the annual Girl's Nation to be held in Washington, D.C., July 23-30.

Maureen Phillips of Birmingham and Linda Peterson of Ludington were picked from among 462 girls attending the annual Wolverine Girl's State at the University of Michigan which ends today.

Charlotte O'Brien of Greenville was named to the Youth Advisory Council, a teen - age advisory group for the governor's Youth Advisory Commission.

Susan June Freestone of Bangor was given a \$50 scholarship. Girl's Nation alternates are Harriet Davison of Farmington and Cathy Babin of Paw Paw.

Personals

Mr. and Mrs. Ben Butler, 221 S. 9th St., who had been visiting his daughters in Ann Arbor, were called home Monday by the death of Mrs. Butler's sister-in-law, Mrs. Joseph Gorzinski, in an accident West of Escanaba Monday morning.

Mr. and Mrs. Don Walton and daughter, Kathy, of Albuquerque, New Mexico, arrived Monday to visit with his mother, Mrs. Walter Boucher, 1101 Montana Ave.

Church Leaders Attending School Session In Albion

Mrs. James Walker, president of the Woman's Society of Christian Service of Memorial Methodist Church and Mrs. Maurice Buchmiller, vice president, will attend the 15th annual School of Christian Missions at Albion College, Albion, Mich., June 27 through July 1.

The two delegates and Mrs. Clifford DeVore will leave Gladstone Sunday morning aboard a charter bus taking all the Upper Peninsula delegates to the school and will return Friday evening.

"Christian Being and Doing" is the theme of the school which is co-sponsored by the Woman's Society of Christian Service and the Board of Missions. Unified study will deal with Affluence and Poverty; Dilemma for Christians, and the Bible Study, from the books of James and First Peter will be given by the Rev. Robert Brubaker.

Briefly Told

A car owned by Calvin Deloria, 1302 Stephenson Ave., Escanaba, was struck in the rear by a hit-and-run driver while it was parked in a private lot at Garden Corners last Saturday. It was reported to State Police Tuesday. Troopers are investigating.

State Police issued traffic summonses Tuesday to Wesley Palmgren, Bark River, Jerome McCullough, Harris, and Ernest Gruen, Trenton, Mich., all for not having registration on person; Dennis Bissell, 520 Lake Shore Dr., Escanaba, speeding; Charles Cretens, 937 Sheridan Rd., Escanaba, excessive noise, and John LaPointe, Star Rd., Perronville, no operator's license.

A car driven by Robert Kasbohm, Star Rte., Perronville, struck a deer at 9:15 p. m. Tuesday on County Rd. 569 about one and a half miles west of LaBranch in Menominee County, State Police reported.

with Roy Crandall

Wally Schultz and Mike Gafner, former Esby Cub twirlers, teamed up on the Stephenson mound to nip Pembine, 7-6, in a 10 inning Wisconsin baseball league game. . . Gafner went the last six innings in which he gave up two hits and fanned six Pembine batsmen. . . He collected a pair of hits as did former Escanaba High School battery mate Paul Meunier.

Werner Maki, veteran Ishpeming softball chucker, came up with a one-hitter for Ishpeming Woody's this week. . . He nipped Peterson's of Gwin, 4-2, in a Tri City league clash after Jim Ghiardi had swatted a two-run homer in the first inning. . . Maki whiffed 11 batters.

Curt Lahti, former All-Upper Peninsula basketball player at Houghton was named the most valuable baseball player in the NAIA Wisconsin collegiate tournament last week. . . Lahti pitched and batted his Superior Yellowjackets to the Wisconsin State University Conference championship this spring.

Boxing fans here will remember Allan DeFaut, an outstanding Golden Gloves welterweight some years ago in spite of being a deaf mute. . . The former Menominee High School halfback who starred in the 1956 season and ran the sprints on the Maroon track team is an outstanding rifle shooter. . . Now living in Manitowish, DeFaut competed in a match at Amasa last week and topped a field of 45 shooters.

Felch bounced back into the victory column in the Michigan division of the Wisconsin baseball league Sunday, belting Porterfield, 11-2. . . Young Jim Eder pitched a three hitter and fanned 13 for the mound verdict.

The pitchers continue to dominate the Sault Softball League. . . Gerald Synette, who had notched a no-hitter and a two-hitter in his first two starts this season, came back with another two-hitter this week to lead the Sault Merchants to a 10-2 verdict over 753rd Squadron. . . The undefeated Merchants are one of the early entries in the Escanaba Invitational tournament that will be staged at Memorial Field over the Fourth of July weekend.

Catch Of Year, Robinson Snags Saver In Ninth

By The Associated Press
The Baltimore Orioles made Frank Robinson the catch of the year. Now Robinson has made the catch of the year for the Orioles.

The American League's top slugger turned spectacular outfielder Tuesday night, making a great ninth-inning catch in right field that saved a 7-5 victory for Baltimore over New York in the first game of a doubleheader.

Robinson, who has sparked the Orioles to the top of the league since they acquired him from Cincinnati this past winter, immediately turned into the most unpopular person in Yankee Stadium and was the target of all sorts of debris during the second game which the Yankees won 8-3.

The controversial catch came with two Yankees on base and two out. Roy White lofted a fly to deep right field, Robinson raced back to the 3 1/2-foot fence, leaped high into the air, caught the ball and toppled backward into the box seats in the stands.

Umpire Hank Soar waited a few seconds, then signaled the out, which ended the game. Soar's signal also was the signal for Yankee Manager Ralph Houk to become enraged and race onto the field. He argued in vain, then announced he was protesting the game.

"He didn't keep control of the ball," Houk contended afterward. "He was groping for the

ball. I don't know what chance I've got with the protest, but I just hope I can find somebody who has a picture of him lying there without the ball."

Robinson, who ended up with only part of his legs visible from the field, was equally as certain that he held the ball.

Then there was Elston Howard's fly ball in the sixth inning. Robinson caught it near the fence but again had to wrestle himself loose from a fan who reached out and tried to prevent him from making the catch.

In other AL games, Cleveland edged Boston 2-1, Detroit defeated Washington 5-2, Kansas City nipped Chicago 9-8 and California downed Minnesota 10-7.

In the National League, San Francisco outlasted Chicago 9-7, Cincinnati outslugged Pittsburgh 11-8, Houston stopped Los Angeles 7-4, Atlanta defeated Philadelphia 4-1 and New York edged St. Louis 2-1.

Before his controversial fly ball, White made two errors that led to five Baltimore runs in the second inning and hit a two-run homer in the sixth. Eddie Watt pitched 3 2/3 innings of hitless relief until the Yankees had their short-lived rally in the ninth.

The second game was tied 3-3 until the seventh when the Yankees erupted for five runs. Hal Reniff ignited the rally with a single, scored the tie-breaking run and allowed only one hit in 5 2/3 innings of relief.

Denny McLain became the first in the AL to win 11 games, stopping Washington on five hits. Jim Northrup tripled home two runs for Detroit while Norm Cash singled across two.

Cleveland's Gary Bell pitched a six-hitter and received support from Rocky Colavito, who started both of the Indians' run-scoring innings with singles. Boston scored its lone run in the ninth on Tony Conigliaro's single.

Bert Campaneris broke an 8-8 tie for Kansas City in the ninth when he got his fourth single, was sacrificed to second, stole third and continued home on catcher J. C. Martin's wild throw. Chicago had tied it in the ninth on John Romano's run-scoring double.

Bero Rally Nips Hotel

Tuesday Results
Bero Motors 12, Michigan Hotel 6
Mead 21, Teamsters 18
6:45—Northern Raiders vs. Unknowns (Junior)
8—LaFave's vs. Teamsters

Bero Motors exploded for seven runs in the last of the sixth inning for a come-from-behind 12-6 triumph over Michigan Hotel in Escanaba Softball league action at Memorial Field Tuesday night.

Frank Trotter's three hits in four trips, including a brace of triples, led Bero Motors to its sixth victory against two defeats this season.

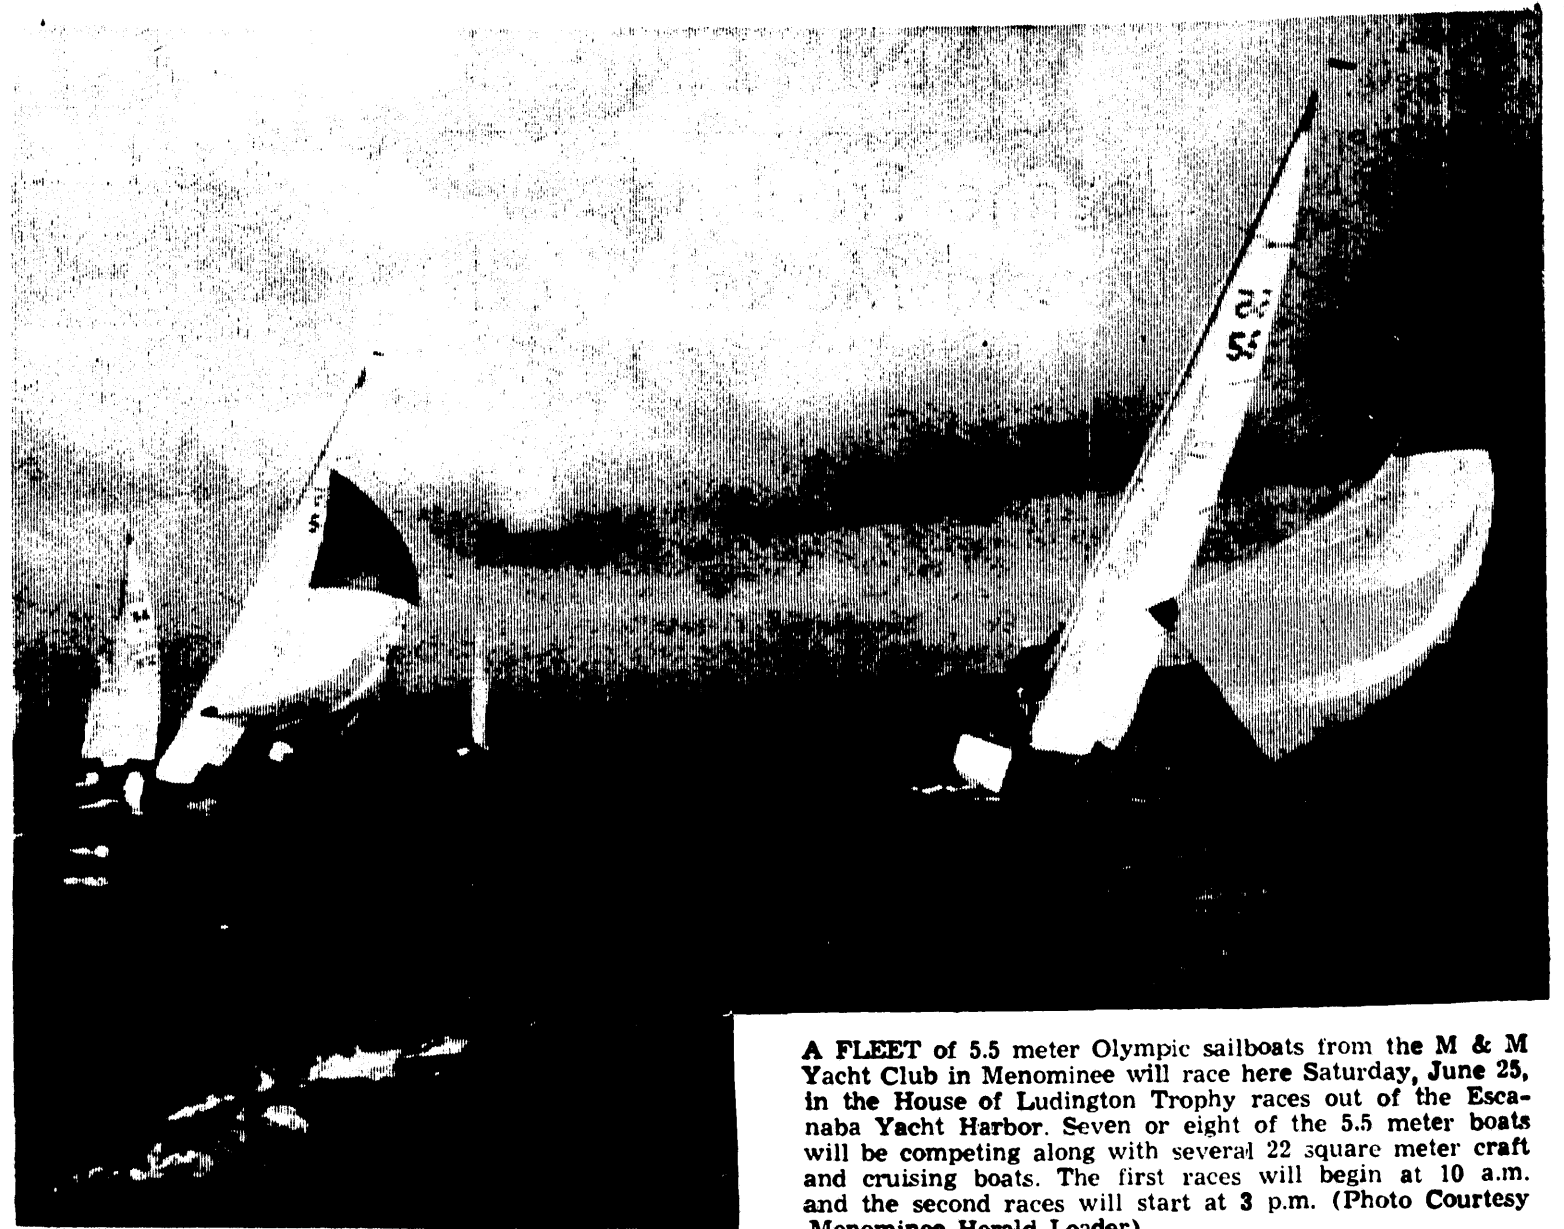

Jug Bourdeau and Dale Binter shared the mound for Bero's with Harold Porath going the distance for Michigan Hotel.

In the opening game last night Mead outlasted Teamsters in a slugfest, 21-18.

League president Clarence Komas announced that the second games for tonight and Thursday have been switched. LaFave's will play Teamsters tonight and the Merchants will meet Bero Motors tomorrow night.

Slow Pitch

Amvets 4, Metropolitan 1

A FLEET of 5.5 meter Olympic sailboats from the M & M Yacht Club in Menominee will race here Saturday, June 25, in the House of Ludington Trophy races out of the Escanaba Yacht Harbor. Seven or eight of the 5.5 meter boats will be competing along with several 22 square meter craft and cruising boats. The first races will begin at 10 a.m. and the second races will start at 3 p.m. (Photo Courtesy Menominee Herald Leader)

Olympic 5.5 Meter Boats Will Race Here Saturday

Yachts, the likes of which haven't raced in Escanaba waters in 30 years, will grace the Bay de Noc waves Saturday, June 25.

A fleet of 5.5 meter Olympic sailboats from Menominee will compete in the House of Ludington Trophy races out of the Escanaba Yacht Harbor. The first races will begin at 10 a.m. and the second at 3 p.m.

In addition to the 5.5s, several 22 square meter and cruising boats will make the 53 mile trip from Menominee to compete in the races here Saturday.

The boats will make the all-day trip from Menominee Friday and skippers will meet at 9 a.m. at the Yacht Club Saturday morning. The races will cover the triangular course starting in front of the harbor entrance between the buoy and the John Walsh judges' boat. Between the morning and afternoon races, the sailors will be guests of Pat Hayes at the House of Ludington for lunch from 12 to 2.

Menominee has a fleet of ten 5.5 meter boats, largest out of one port in the country. There are about 60 in the country, scattered on the east coast and in the Texas Gulf. There are three in Milwaukee.

The boats were built in 1962 in Norway as a sailboat training facility for the United States Olympic team. They were built by Herman Whiton, two time Olympic champion in the 6 meter class. The purpose

was to train a skipper and crew for the 1964 Olympic games. The boats cost Whiton \$150,000, at \$15,000 apiece.

They were purchased by 10 Menominee sailors last February. The owners are William H. Caley, Harold Derusha, Roger Derusha, Robert Derusha, Douglas E. Jones, Thomas J. Kuber, Richard Baargren, Bob Bjorklund, L. E. Jones and Richard A. Sawyer. They paid \$3,500 per boat.

The boats are all wood construction with aluminum masts, hulls of Spanish mahogany and oak framing. They are 31 feet long, draw 4 1/2 feet of water and weigh 4,400 pounds.

They are one-design boats—all built at the same time. They are alike down to the smallest detail, which was a requirement in the training of the Olympic crew. The boats must be identical in order to determine which crew is better.

The M & M Yacht Club 5.5 Meter Association controls the boats with an iron hand. No owner can buy new sails unless all owners do so. No owner can sell his boat to anyone other than a member of the club who has been approved by the other owners.

M & M officials hope to sail seven or eight of the 5.5s to Escanaba, leaving home at 8 a.

m. Friday. The 53 mile run will take at least 12 hours. Three or four power boats will leave at noon to overtake the sailboats and will be available for towing in case of any wind problems.

The skippers and crews compete each Tuesday on an official Olympic course set up in Green Bay, off the Menominee breakwater.

Country Club Par Equalled

Don Goulais and Elmer Swanson matched par with a pair of 36s to set the individual pace in the Escanaba Country Club twilight league men's matches Tuesday night.

Harry Hogan turned in a 38, Byron Zeni and Ed Gravelle 39s, Dave Erickson, Dave Andrews and Bob Turner 40s and Mike Heminger 41.

Manley Anderson was closest to the pin on No. 7.

Team standings: Pea Soups 42 1/2, Eight Balls 42, The Hustlers 41 1/2, Hogan's Hustlers 41, Ice Boxes 39 1/2, Masters 38 1/2, Hush Puppies 38 1/2, 19th Holes 38 1/2, Toronado 35, No. 5 33 1/2, Gravel Gerties 32 1/2, Paper Makers 25, Lurch's 24 1/2, Pedagogues 23, Mead Office 21, No. 10 21, Don Juans 20 1/2, Duffers 18 1/2.

Little League

Felch defeated Hermansville, 6-4, in Little League action this week. David Malone paced Hermansville with a single, double and homer. Farrell was the winning pitcher, Schoen the loser.

Tuesday's Fights

CANTON, Ohio—Marion Conner, 176, Canton, Ohio, outpointed Jimmy Christopher, 181, Milwaukee, Wis., 10.

JIM TONN, right, tells of his experiences as a member of the national collegiate championship rowing team from the University of Wisconsin to Ray Crandall, sports editor of the Escanaba Daily Press. In the foreground are some of the rowing shirts of the crews which were defeated by the Wisconsin team in the Intercollegiate Rowing Association regatta at Syracuse, N.Y. last weekend. It is a tradition for the defeated crews to give their shirts to the winner in major rowing competition. Tonn is a former Escanaba High School athlete. (Daily Press Photo)

Started With Boy Scout Canoe

Tonn Elite Oarsman With Badger Crew

By RAY CRANDALL

(Daily Press Sports Editor)

Jim Tonn, 20 year old University of Wisconsin oarsman, has paddled his way from a Boy Scout canoe to the pinnacle of intercollegiate crew competition.

Tonn, son of Mr. and Mrs. Harold Tonn of Escanaba, learned to handle oars as a part of his Boy Scout water education.

On Saturday, June 18, Tonn manned the No. 7 seat on the University of Wisconsin varsity boat that captured the Intercollegiate Rowing Association regatta championship on the calm waters of Onondaga Lake in Syracuse, N.Y.

In between a limited high school athletic career and the lofty heights of a college crown, Tonn slimmed some 35 pounds off his 6 foot 3 inch frame. He hits the scales at between 185 and 190 pounds during the rowing season. The Wisconsin junior was a 225 pound shot putter in his prep days.

After three years on the Badger freshman, junior varsity and varsity crew, Tonn's rowing career appears to be at an end. He will transfer from Wisconsin to the University of Michigan Dental School this fall. Michigan does not sponsor a crew and Tonn figures he will be too busy with his studies to do more than stay in shape with weekly workouts.

Wisconsin's victory in the IRA, which is termed the bowl game of crew racing, was in the nature of a stunning upset. The Badgers had not scored a major victory previously this season.

"Everything came together in the IRA and we rowed a perfect race as a team," Tonn explained. "We were ready

mentally and physically for the race."

Tonn's personal career as a Wisconsin squad member took an upswing following the Easter vacation this year. He licked a number of small technique problems that had bothered him earlier in the season and came on strongly to earn Coach Norm Sonju's nomination as "most improved" rower on the team.

Although he is only a junior, Tonn will receive the Wisconsin athletic awards normally reserved for seniors because of his plans to transfer to the dental school at Michigan this fall. In addition to his W-sweater, he will receive a W-blanket and ring.

If Tonn's athletic interests are unique among Escanaba graduates, his off-season activities are downright unusual. "Strictly non-academic," his description of his summer job with the Skerbeck Shows in which he operates one of the thrill rides. The amusement company travels through Michigan during the summer months and Tonn joined the show this week in Ishpeming.

The Bakersfield, Calif., star seeded No. 6, was paired against Alexander Metreveli, the Soviet No. 1, in the second round — and he agreed it was no pushover.

"This boy can play," Ralston said. "No sensible man could fail to respect the Russians these days."

Metreveli, 22-year-old journalistic student at Tbilisi University, is the most finished product of the Russian drive to get a foothold in world tennis. For two straight years he has reached the third round at Wimbledon.

It is just seven years since the Russians decided to promote tennis as a serious sport for the Soviet people.

Russian players won both

boys' and girls' junior titles at Wimbledon last year. The Russians are out to do the same again this time, with two 17-year-olds challenging the cream of the world's teen-agers — Vladimir Korotkov and Rosa Islanov.

Roy Emerson of Australia, tilting for his third straight Wimbledon title, has an old score to settle against Wilhelm Bungert, the tall and elegant German. Bungert was the last man to defeat Emerson at Wimbledon — in the quarter-finals of 1963.

Clark Graebner of Beachwood, Ohio, who is seeded No. 8, faced the Australian left-hander, Owen Davidson.

Tony Roche, the Australian who is seeded No. 2, took his place in today's round despite an injured left ankle. He defeated Ted Beards of Britain 6-2, 6-4, 6-4 Tuesday in the first round after being granted a 24-hour postponement.

The women's singles got under way Tuesday and the eight seeds all successfully cleared their first hurdles. But Nancy Richey, the U.S. Wightman Cup star from Dallas, Tex., survived a shaky start before overcoming Fay Toyne of Australia 1-6, 6-3, 6-0.

Her Wightman Cup costar, Mrs. Billie Jean Moffitt King of Long Beach, Calif., overcame a long, grim second set to defeat 19-year-old Winnie Shaw, the rising Scots star, 6-2, 8-6. Billie Jean had her service broken three times in the second set, but always volleyed her way out of trouble.

Card of Thanks

Hebert

We wish to express our heartfelt thanks to the many friends, neighbors and relatives who by acts of kindness and sympathy aided and comforted us in the death of our beloved wife and mother Mrs. Paul Hebert. Especially do we thank Father Mayrand and Father Mayotte for their comforting words, the members of the D. of L. V.F.W. Auxiliary, the pallbearers, those who loaned cars and those who sent spiritual bouquets and floral offerings. Your kind deeds will never be forgotten.

The Family of
Mrs. Paul Hebert

Former Champs
Quit Tourney

CHARLEVOIX (AP) — The 55th annual Michigan Amateur golf Championship lost some of its luster Tuesday with the withdrawal of two former champs, including six-time winner Chuck Kocsis of Royal Oak.

Doug Hankey of St. Johns, the winner in 1964, also informed officials he would not play in the event, which got underway early this morning with the first of two qualifying rounds.

Kocsis, who holds the state amateur record of 27 straight match play victories, said he was forced to pass up the tournament because of business.

Hankey withdrew because of illness. Kocsis was to have tried for his first title since 1951. He has not played in the tournament since.

Players who were able to shoot practice rounds on the par-72 Belvedere Golf Club course reported it in fine shape. Some complained, however, of heavy greens.

Defending champion Bud Stevens of Detroit was among the 232 entrants playing their first qualifying rounds today. The low 63 qualifiers and Stevens will move into match play starting Friday.

Pair Are Tied
In Senior Golf

HARBOR SPRINGS (AP) — David Goldman of Dallas, Tex., and Carl Benkert of Louisville, Ky., both shot even-par 72s Tuesday and took the first round lead in the 18th annual Western Seniors Golf Association Tournament.

Goldman, the defending champion, is playing in the Class E division for 55 through 59-year-olds. Benkert, who won in 1960, is playing in Class D, for 60 through 64-year-olds.

Bud McKinney of Dallas and Charles Johnson of St. Louis tied for second in Class E at 73.

Ben Merwin, of Ontario led Class C, for 65-through 69-year-olds, with a 73. Other leaders were: Class B (70 through 74) Larry Stage, Lafayette, Ind., 77; and Class A (75 and over) Walter Cope, Lima, Ohio, 82.

Bryant Rests
In Hospital

LOS ANGELES (AP) — The doctors at the View Park Community Hospital administered electrocardiograms and other tests today to University of Alabama Football Coach Paul (Bear) Bryant but didn't say when he would be released.

Spokesmen would say only that he is resting comfortably and there is no change in his condition.

The famed 32-year-old coach collapsed Monday while speaking to a coaches clinic at Pepperdine College.

Approximately 500 coaches were present when Bryant began his talk on recruiting and organization, two fields in which he is considered a specialist.

Following a full day of tests doctors concluded that Bryant was suffering from internal bleeding brought on by an exhausting work schedule.

Penn Will Get
Golf Tourney

STANFORD, Calif. (AP) — The NCAA golf committee recommended Tuesday that the 1967 national tournament be held at the University of Pennsylvania and nominated New Mexico State University at Las Cruces as the site for the 1968 event.

Recommendations have to be approved by the NCAA Council at its next regular meeting. Approval is expected as a matter of course.

Bill Mazeroski of the Pittsburgh Pirates set a national League record last season. It was the sixth time he led second basemen in double plays. He missed 31 games.

Card of Thanks

Allardyce

Because we cannot thank each of you personally, we take this way of telling you how much we appreciated your sympathy and help at the time of the death of our beloved wife and mother, Joan Allardyce. Only those who have been shown similar loving kindness when they most need it can understand our feelings toward all of you.

The Family of
Joan Allardyce

Timonen

I wish to express my heartfelt thanks to the many friends who sent cards and helped to lighten my burden of sorrow, in the recent death of my son, Leslie Timonen. Your thoughtfulness and kindness will never be forgotten.

Mrs. Ida Turunen

SAVE COIN WITH COYNE!

This is an ad for used cars. How come we used a picture of coins rather than a used car? Simple. Just read our slogan. Save Coin with Coyne. We mean it. Our used cars are all in good shape. You save coin by not having to make any repairs. Our used cars all have good tires. You save coin by not having to buy any tires. Our used cars are reasonably priced. You save coin by not having to buy a high priced used car. That's why we used coins instead of used cars.

Retired Should Run For Office?

Alma Opal Sets Example!

Alma Opal, who returned from Washington for a life of retirement at Menominee and then thought better of it, has given her activities a new twist.

She has been active in the organization of a Humane Society program in Menominee and now has combined that with candidacy for office.

"I am," announces Mrs. Opal "the only candidate on the Republican ticket in Mellen Township running for supervisor. The incumbent supervisor, Loren Anderson, is a Republican; he beat me two years ago, but he's running for township treasurer this time. Albert Hansen of Ingalls and Jack Ahlman of Wallace, the current treasurer, and both Democrats, are running for supervisor.

"Mellen township is about 90 per cent Republican and there's an entirely new picture since two years ago and it looks like the kind of an election that a woman can win.

Alma Opal

Mrs. Opal's first public campaign in the U. S. was to convince the U. S. Government to locate a "Capital of the Interior" in Menominee County. That has been in the deep freeze lately while she campaigns for better animal care and suggests that lady deer and their fawns be saved from the hunters.

"I jumped into the middle of the county supervisors' meeting recently," she said. "Twenty-four men and one woman. I can hear my dad saying 'I just knew she would come to a bad end!'"

Mrs. Opal is a widow living in Wallace. Daughter of the Rev. Henry Friedemeier of the United Church of Christ in Marinette, she was married to Earl John Opal of Hubbell, who was with the Central Intelligence Agency until shortly before his death. She had served as section chief with the Foreign Claims Settlement Commission in Washington before returning to Menominee in 1956.

"I feel it is a pity that more citizens do not volunteer to run for public office," she said. "Retired people, especially, represented a potent group free to give service."

She said of her interest in humane work, "I am a member of 8 local, state and national humane organizations. This year is the 100th anniversary of the Humane Movement in the United States and I spoke on it to the supervisors on the 16th."

She is impressed by the animal shelters of Mr. and Mrs. Carl Kramer on the Nine Mile Farm out of Menominee.

BOBBY RULEAU of Sugar Creek holds a dogfish taken in one of the pound nets in Green Bay off the mouth of the Big Cedar River fished by Ruleau Brothers for alewife. Bob took the fish home in a pail. (Daily Press Photo)

Pay Hiked For Circuit Judges

LANSING (AP) — Still unsure how their own pay raise will go, lawmakers voted Michigan's 100 or so circuit judges a pay hike Tuesday.

A House-Senate Conference committee agreed on a hike to \$35,000 for the state's eight Supreme Court justices. Earlier this month is approved an \$8,000 raise for Appeals Court judges.

Legislators' pay is next. It's expected to come up today.

Lawmakers agreed to raise the state's contribution to a circuit judge's salary from the present \$15,000 to \$20,000. The county pays the balance of the judge's annual pay.

A \$30,000 ceiling remains on the salaries — meaning Wayne County judges, already at \$29,500, would get little benefit from the measure. Outstate judges, however, range in pay from \$16,000 to well over \$25,000.

Gem Club Hears Copper Country Confab Reports

The June meeting of the Bay de Noc Gem and Mineral club will be held at 7:30 Thursday evening at the Escanaba Area Public High School.

Delegates from the local club who attended the Midwest Federation Convention of rockhounds at Houghton last week will report. They will provide information on areas for fruitful rock picking for collectors planning collecting trips to the Copper Country.

Visitors are welcome. Members and visitors are asked to use the northeast entrance to the school.

High Average

ATLANTA, Ga. (AP) — When James Edward Westmoreland graduated from Georgia Tech last week, he missed a perfect scholastic average by .043 of a point.

Westmoreland, of Griffin, Ga., had the highest scholastic average at Georgia Tech in 10 years at 3.957. The highest possible score at the school is 4.00.

Mean annual temperature of Honolulu, Hawaii, is 75.2 degrees, according to the Encyclopedia Britannica.

Mandatory Car Safety Passes

WASHINGTON (AP) — An auto safety bill stronger than President Johnson originally asked has been approved unanimously by the Senate Commerce Committee. It goes to the Senate floor where leaders hope for passage before the July 4th holiday.

The committee's bill directs the secretary of commerce to issue interim safety standards next year for 1968 models and to put permanent mandatory standards into effect a year later.

Johnson had proposed legislation giving the secretary authority to issue safety standards. But administration officials working with the committee said they had agreed to the stronger version.

The bill also is stiffer than proposals made by the auto industry.

The bill is expected to clear the Senate with almost no difficulty. But a companion highway safety measure scheduled for consideration at the same time could touch off a floor battle.

College Offers Public Discussion Session Thursday

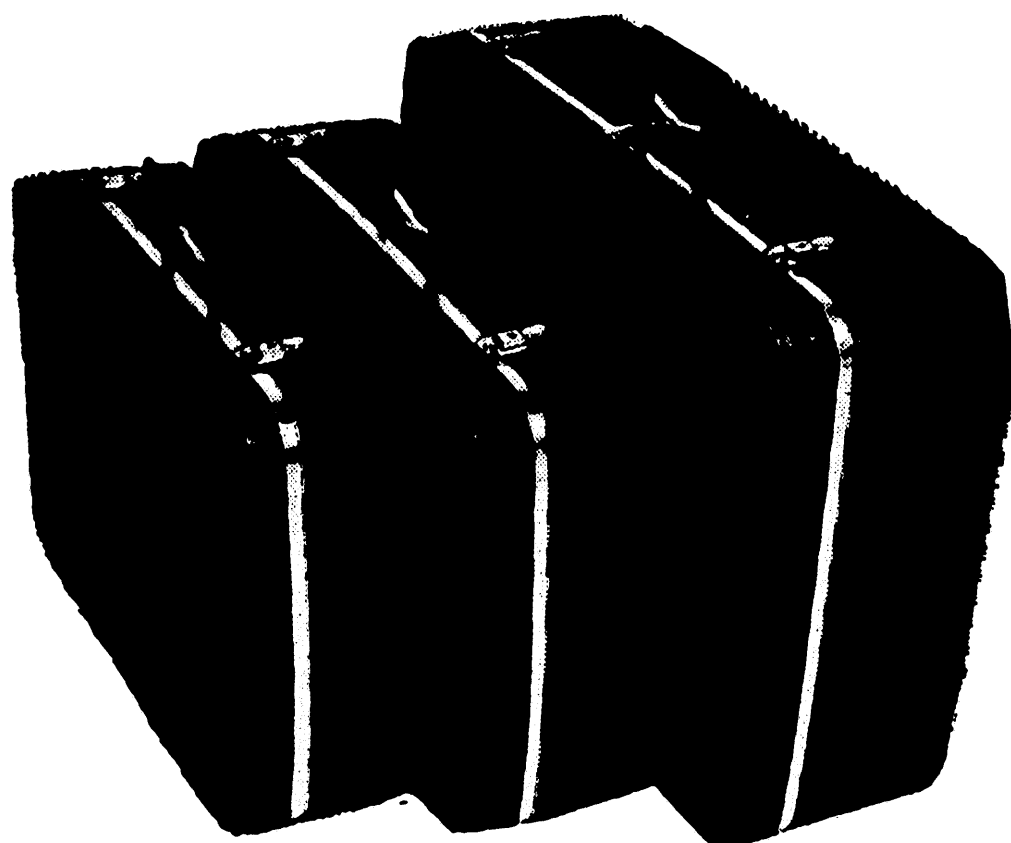

Robert DiGiovanni, instructor in English and literature at the Bay de Noc Community College will offer a free college service of discussion at Student Center Thursday evening at 8. Topic of discussion will be the Book of Job from the Old Testament.

By reading and discussing this book at the coffee session DiGiovanni will show in what ways a "Hebrew author, writing between 450 B. C. and 350 B. C., coped with the problem of the suffering of the innocent, and, more importantly, formulated what he thought man's relation to God should be."

Those interested in reading the Book of Job beforehand will find it on reserve in the Bay de Noc library, the city library and the state library.

Hwy. Repair Is Death Trap

SPRING GREEN, Wis. (AP) — Two persons died Tuesday in a head-on collision on a stretch of highway where traffic had been narrowed to a single lane because of a construction project.

Killed were Mrs. Oriole LaFleur, 62, Bay City, Mich., and Earl Campbell, 47, Spring Green. Mrs. LaFleur's husband, George, 66, was hospitalized at Dodgeville in satisfactory condition.

Iowa County sheriff's deputies said the LaFleur and Campbell cars collided on U. S. 14 three miles east of Spring Green in an area where workmen were replacing slabs of concrete pavement. A deputy said barricades had been erected around a patched place in one lane. The construction crew and its

'Trot-In Banking' After July 1 On Mackinac Island

MACKINAC ISLAND (AP) — Residents of this carless resort island in the Straits of Mackinac will have a chance after July 1 to do some "trot-in banking."

The First National Bank of St. Ignace plans to open a branch here next month, one which will cater to the island's favorite means of transportation, the horse.

Patrons arriving on horseback or in one of the popular horse-drawn surreys will find hitching posts in place of parking lots, said bank president Warren Hagen.

The bank plans to offer two lumps of sugar to each horse bringing a new customer on opening day, Hagen said.

flagman had moved on to another segment of the highway, he said.
